

In Nursery
OUR FIRST SENSE OF WORK

During Work Week Rosen Class was thinking about different types of jobs and getting their first sense of work. During the week, Rosen Nursery have been pretending to be vets, builders, gardeners, farmers and chefs. Nursery especially liked learning about what worms do for us and how we can help the environment through specfic jobs such as being a forest ranger. We also pretended to be chefs in our home corner and made different types of foods for our friends. Nursery has a good idea of what they would like to be when they grow up!
