

In Reception
EMERGENCY SERVICES

This week Reception have been learning about Emergency Services which is linked to our topic People Who Help Us. Reception were lucky enough to have a trip to Shoreditch Fire station! They had a brilliant time and really enjoyed spraying the firemans hose. On Monday afternoon Reception were visited by two Police Officers who explained lots about their job. The children in Reception even got to wear parts of the Police Officers uniform. During topic time we have been learning about a variety of Emergency Services such as A and E departments, Paramedics, Fire Fighters and Police Officers.
