

In Year 1
GOING TO WORK

During Work Week Deacon Class was learning all about the types of skills you need to do different jobs. We thought about skills you would need to be a firefighter, nurse, teacher or builder. We also discussed stereotypes and discovered that it doesn't matter what gender you are, if you have the right skills then you can do any job! We participated in activities to find out what skills we already have and even applied for a classroom job. Our ASPIRE learning objective this week was how achieving and developing new skills prepare you to be successful in all kinds of jobs. We interviewed some parents about the jobs they do. Maisy's mum explained to us the skills she needs to be a dental nurse, and Karmel's mum told us how organised she need to be as a manager in a hotel.

Extension: Why do you think you would be good at your jobs?

We went on a trip to Sainsbury's to get experience of what it is like to have a job. We worked on the tills and in the bakery. The staff at Sainsbury's told us that we must be very friendly and helpful to the customers.

What did I achieve on my Work Week trip?
