

In Year 3
MONEY MATTERS

During Work Week, Year 3 were focusing on money: how to earn it, spend it and save it. We started off by writing applications for our dream jobs and thinking about all the skills we will need to do them and why (apart from earning money) we might be motivated to do them. Later in the week, we had a go at spending our money: we debated what we needed to buy and then had a chance to buy food, pay our bills and go to the bank on our very own year 3 Mare Street.
