Bubbles

Space hoppers

The Great King Kong Mystery!

Our much-loved King Kong went **MISSING!**

Lots of children were upset and searched for him.

Two fantastic pupils found him in the MUGA and brought him back!

Please look after our toys and put equipment away carefully so **everyone** can enjoy them.

Look after it • Put it back • Share the fun!

What have you enjoyed most about OPAL play so far?

Our Mud Kitchen

What rules do we need to follow when playing in the mud kitchen?

MUD KITCHEN

Our Play Rules

Dress for messy play

Wear waterproofs and wellies when it is wet and muddy.

Use equipment safely

Never throw pots, pans, spoons or other resources.

Keep mud in the mud kitchen

Do not throw mud, splash others or spread mud around the playground.

Share and take turns

Make sure everyone has a chance to play.

Look after our resources

Treat equipment carefully so it stays in good condition for everyone.

Keep equipment in the mud kitchen

Keep all pots, pans and other resources in the mud kitchen area (not on the ground) to keep them clean and safe.

Tidy up together

At the end of your session, put all pots, pans and utensils back in the grit bin.

Equipment left outside can get rusty and damaged.

Wash your hands

Always wash your hands with soap and water after muddy play.

STOP, THINK AND CHECK:

Am I using the mud kitchen safely, looking after our resources and leaving it tidy for others?

Bubble Play

What rules do we need to follow when playing with the bubble machine and bubble making equipment?

Bubble Play Rules

Use the bubble mixture and equipment safely.

Take turns and share with others.

Do not blow bubbles into other people's faces.

Wash your hands after bubble play.

Put all equipment away carefully when you have finished.

Do not stand in front of the bubble machine – make sure you are at least **3 steps** back.

Be safe, be kind, share and look after our bubble equipment!

Space Hopper Play

What rules do we need to follow when playing with the space hoppers?

Space Hopper Play

Hold the handles with both hands.

Bounce in a safe space (on the grass or playground).

Be aware of others and give everyone space.

Do not stand on the space hopper.

No pushing or grabbing others.

Do not throw or kick space hoppers.

Put space hoppers away carefully when you have finished.

Be safe, be kind, share and look after our equipment!

MISSION POSSIBLE!
The Tidy-Up Mission!
Our mission:
To work as a team and tidy up all of the play equipment together until the 4 minutes is up!
4 MINUTES
1. Everyone joins in.
2. Tidy up together for 4 minutes.
3. When the timer beeps, we're done!
Teamwork. Focus. Everyone tidies. Mission complete!
