SHOREDITCH PARK

Dear Parent/Carer,

I am writing to invite you to apply for a place at the new City of London Academy, Shoreditch Park which will open in September 2017 and will be modelled on The City Academy, Hackney which has achieved exceptional success in Homerton. The application form can be found at https://learningtrust.formstack.com/forms/colsp and the deadline to apply is Monday 31 October.

Applications for Shoreditch Park are separate from the usual secondary admissions process and do not affect your 6 choices in any way. An application to Shoreditch Park may result in your being offered two secondary schools instead of one. If you have any questions or would like more information please contact me at the email address below.

Thank you for considering The City of London Academy, Shoreditch Park as your choice of secondary school for your child.
