

The Shoreditch Park Scoop

Welcome!!!

We are delighted to present to you the **first edition** of our brand new weekly newsletter, **The Shoreditch Scoop**. In this newsletter we will be bringing you the latest SPSS news, including weekly learning highlights from across the school, staff CPD events, forthcoming calendar dates, and much, much more! We hope you enjoy our new format.

Into University

Year 6

It's that time of year again...Into University focus weeks for Year 6. In these weeks, the children learn about paths to University, discuss ambitions for the future and learn around a given topic (this year was **Art History**). As part of the week's festivities, Zephaniah visited **The Wallace Collection**, and went to the University of East London where they were thrown a proper graduation ceremony to their proud parents and carers. They grow up so fast!

Biscuit Bear

Year 1

This week, our Year 1 children have been focussing on **Biscuit Bear** by Mini Grey in their Power of Reading lessons. Not only have they been producing some fantastic writing, but have also been making their very own biscuit bears—save some for the teachers please!

The British Museum

Year 5

Tan and Dahl class went on a trip to the British Museum to explore the ancient Anglo-Saxon artefact collection there. As an Inner-London school, we are so lucky to have such experiences on our doorstep, and it's great to see the Year 5 taking full advantage of that to support their learning in History.

Settling In

Nursery

Rosen has been continuing to settle into Nursery life by exploring their new environment and learning about their new friends. They have read "When a dragon goes to school" and "I am too absolutely small for school." For maths they have focused on tracing and recognising numbers, building patterns and 'big' and 'small.' They have also explored their outside and inside environments while remembering to share with their friends, be kind to each other, and play together.

MacMillan Coffee Morning

Last Thursday was our MacMillan Coffee Morning, organised by Ms Twiner and Ms Jacobs. There was a fantastic show of support from staff who donated plenty of cake and money. Another successful year supporting a worthy cause!

CPD - Art and D&T

Last Tuesday, the teaching staff were treated to an uplifting CPD on changes to our Art and D&T curriculum. Mr Holland, himself a passionate artist, shared his exciting vision for the two subjects. We are very much looking forward to delivering the changes and seeing the wonderful pupil outcomes in our first Art Week of the academic year.
