

The Shoreditch Park Scoop

What' Cooking?

Year 3

This week, Year 3 had the opportunity to take a lesson on food education at **Hackney School of Food**. In a fun and practical cookery workshop, children were able to learn about where food is grown and how to cook their own seasonal dishes (bread and a vegetable soup) from highly skilled food educators. This links well with our Healthy School approach and D&T. *'I really enjoyed learning to make bread and stew because I didn't know how to make them'* said Dianne. *'I might cook them at home with my sister'*.

Raiders and Invaders

Year 5 Tan Class Assembly

Last week was **Year 5 Tan Class's** turn to perform their class assembly. As we were taken on another journey through time, they presented their learning in History on the **Anglo-Saxon** period. Next stop for Year 5 History will be the Viking era, and so we look forward to more blood-curdling historical assemblies.

Igniting their Curiosity

Year 2

During the Year 2's online workshop hosted by the **Museum of London**, the staff on the live stream discussed the events surrounding the **Great Fire of London**. They shared fascinating insights into how the fire started and how it eventually came to an end. Additionally, they highlighted various artefacts that provide us with valuable information about the fire to this day. The workshop provided an engaging and informative session for the Year 2 children, exploring the historical significance of the Great Fire of London and its lasting impact on our city's history.

True Colours

Nursery

This week Rosen Class have been reading the book **'Elmer'**. They have focused on what it means to be the same and what it means to be different. They have taken part in many "Elmer" based activities, such as making elephants out of paper plates, writing invitations to the Elmer parade, making a large patchwork of Elmer and playing with rainbow coloured rice.

At Shoreditch Park Primary School we are committed to safeguarding our pupils to the highest possible standard at all times. As part of our commitment to safeguarding, we ask that when parents are in the school building they refrain from using their mobile phones at all times, including assemblies and performances. We will ensure that all future assemblies are uploaded to Google Classroom so that any family members who are unable to attend can still enjoy our pupils' amazing performances.

Pupil Voice

This week Shoreditch Park Primary have been learning about Anti-bullying week. We started the week off by having an Odd Sock Day. We all wore odd socks to celebrate that we are unique individuals. During the week, we continued learning about anti-bullying week. We learned all about how to make a noise about bullying. We discussed what we should do when we see bullying happening and people we can talk to.

On Friday we had a SPOT-acular day! To raise money and support for a charity called Children In Need we had a non-uniform day where we wore yellow or spots. We always like to be supportive and help those who need it.

Chloe, Year 3

PTA

Exciting news! The PTA is looking for parents to become Year Group Leads. As a lead, you'll be part of the PTA core committee and will organise up to two events a year for your child's year group, like movie night or cake sales. The deadline is the 24th of November 2023. More information can be found on www.shoreditchpark.hackney.sch.uk/parents/pta/

Anti-Bullying Week

This week the school has engaging in **Anti-Bullying Week**. This was the focus of our ASPIRE assemblies, in which the children discussed the difference between bullying and banter, as well as identifying adults that the children can talk to if they are having any concerns relating to this. Anti-Bullying Week was also the focus of our ASPIRE lessons in class, as the children learned about how to speak out about bullying when they see it.

Safeguarding Tip of the Week

Parental Controls

The NSPCC website has a great guide for setting up parental controls to keep children safe online: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/parental-controls/> If you are struggling to do this yourself please let the office know and someone in school will get in touch.

citizens advice

Citizens Advice Hackney

Tasneem Kabir from Citizens Advice has face-to-face appointments available in school every Tuesday. You can contact the office to make a referral for support or phone to self-refer on: 0203 880 2266.

And last week's winners are:

EYFS: Rosen

KS1: Grey

KS2: Briggs

Last Week's Attendance

Class	Attendance %
