

The Shoreditch Park Scoop

A Walk in the Park

Nursery

Rosen class took a **Nature Walk Trip** to **Shoreditch Park**. During our trip we got a chance to explore the big playground at the park where there were loads of larger playground equipment like a slide, swings, a see-saw and a merry-go-round. We also had a snack and story time in the sun before walking around the park and observing the autumnal leaves, trees, and sculptures of our neighbouring park. The children really enjoyed this first trip out of the

Back in Time

Year 1

In History this term, Year One has been learning about 'My Family History.' The children have been exploring the similarities and differences between their own childhood and the childhood of their grandparents. In this lesson, the children had a great time exploring what schools were like for their grandparents and were able to get first-hand experience using a type-writer as it was commonly used in schools during the mid-20th century.

Exploring the Science Museum

Year 3

This week, the Year 3 classes the **Science Museum** to support this half term's science topic, **Light**. The children worked their way through all the museum's exhibit on a self-guided tour. As well as learning more about light, they also got to find out more about space, engineering, the environment and many more fascinating topics. The Science Museum has always been a great way to spark the children's curiosity and today was no exception.

Pupil Voice

This week the Green Team went to Shoreditch Park to do a big clean up. We used litter pickers and reusable gloves to pick up rubbish on the ground. Unfortunately, we found a lot of litter such as glass, cans, tissues, plastic bags, wrappers and vapes. This showed us that a lot of people are not caring for their environment by putting their rubbish in bins. Please remember to always clean up after yourself. We can't wait to go out and do this again!

Minka, Year 2 Jeffers

What's On This Winter ?

Don't forget that there is plenty going on at Shoreditch Park Primary School this December, and here are a few dates for your diaries:
