

The Shoreditch Park Scoop

Leighton House

Year 6

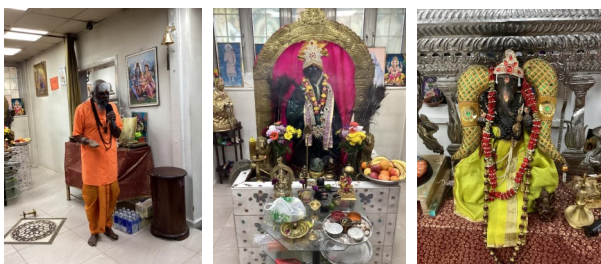

This week, Milligan class visited Leighton House near Holland Park. This trip supported their Into University focus week learning in the History of Art. The children participated in a workshop in Arabic tile designs and then went on a tour around this beautiful house, which was designed by artist Frederic Leighton. The children had the opportunity to see the extensive art collection and the Damascus-inspired interior design; it truly was a unique experience.

Hindu Temple Trip

Year 4

On Thursday, both year 4 classes visited the Shirdi Sai Baba Hindu temple in Hackney. Guru Swami Moorthy warmly welcomed us to the only Hindu temple in Hackney. He told us all about Hinduism and his role as a Guru, and then we had the opportunity to ask questions and engage in discussion about religion.

Young Voices

Year 4

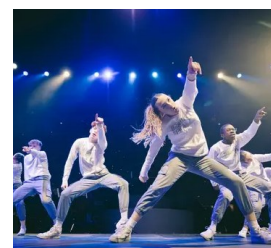

For the past few weeks, a group of us have been rehearsing on Wednesday afternoon for the Young Voices concert. This exciting event will be taking place at the O2 arena at the end of this month. A range of pop medleys with creative choreography will be showcased at this event, and we are elated to be taking part alongside many other schools from London that will be performing too.

London's Burning

Year 2

Year 2 have been learning all about The Great Fire of London 1666. We used recycled materials to create our own model houses, inspired by those from 1666. Afterwards, we wrote a set of instructions on how to make the house. We learned about the materials the houses were made from and tried to replicate that in our houses. We loved thinking of creative imperative verbs and time adverbials to make our instructions interesting and easy to follow.

Pupil Voice

This week the Aspire Ambassadors met to plan Children's Mental Health Week in Shoreditch Park Primary. We had in depth discussions about what mental health means to us, and what we can do to make our school a safe and open place for everyone. We created a pupil survey about Mental Health to hear people's opinions and ideas for improving their mental health. We are looking forward to reading the results of the survey and supporting students across the school.

Miss Keady and Miss Deegan would like to invite parents into school for a drop in session on Tuesday 23rd January at 9am to discuss safeguarding at Shoreditch Park and answer any parent questions.
