

The Shoreditch Park Scoop

Ice to meet you!

Year 6 started the term half term a marvellously entertaining visit to the ice rink at Canary Wharf. Some children took to the ice like a duck to water, whereas others were extremely grateful for the penguins!!

World Book Day 2024!

WORLD BOOK DAY

Dress up as your favourite book character!

7 MARCH 2024

Shoreditch Park will celebrate World Book Day on Thursday, 7th March. We will celebrate the day through assemblies, during which we can discuss our costumes and the books that inspired them! KS2 will have workshops throughout the day linked to Dahl texts, and KS1 will have an author visit from Sav Akyüz. Additionally, KS1 and EYFS will enjoy an extra special storytime with a story sack to bring the story to life.

Teachers will also be sharing tokens for children to collect their £1 book from their local books shop.

ASPIRE Tea Party

This week we held an ASPIRE tea party for the children who were recognised last half term for their progress towards being a self-aware pupil at Shoreditch Park Primary School. Exemplary pupils had demonstrated a strong understanding of what an emotion is and the different ways that they can manage them throughout the day. Pupils had also shown a strong understanding of who they can go to for support with their feelings.

Congratulations to these pupils and we hope you had a wonderful time! Well done for being such Self-Aware role models!

Science in Seuss Class

In science, we created our very own puppet show. The class has been learning how shadows are created. They discovered they occur when an opaque object blocks the light source and prevents the light from passing through. We were also exploring what happens to the shadow when the light source is close, or further away from the opaque object.

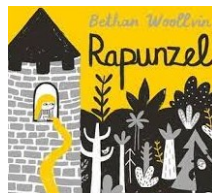

Shoreditch Park Spring Celebration

We are delighted to share our next whole school celebration, held on the 15th March at Shoreditch Park.

Please save the date!

We are looking for artistic parent volunteers who are able to do face paint for Mehndi, please contact the office if you are interested.

Nursery

This term we will learn all about Traditional Tales in Nursery. We will read three core texts from Bethan Woolvin: "Little Red", "Rapunzel", and "Hansel and Gretel." During the first and second week of term we will focus on "Little Red" and which explores the tale of Little Red Riding Hood. We have worked on our fine motor skills by weaving baskets for Little Red's Grandma with pipe cleaners and using tweezers to collect and count items into Grandma's basket. We have explored a small world story set up and practiced retelling the story by mark-making to show our favorite characters as well as writing Grandma a get well soon card.

We have also explored sensory activities such as making dough and walk-

Laburnum Boat Club

At Shoreditch Park, our Year 6's have been visiting the excellent Laburnum boat club for over 10 years each summer term. They are delighted to offer the Shoreditch Park Community discounted, term time clubs for our children. Please contact the club for more information.
