

The Shoreditch Park Scoop

Careers Week

National Careers Week

Shoreditch Park Primary have been very busy interviewing our guest speakers for National Careers week over the past couple of weeks. Have a look at what we have been doing:

Year 1 consolidated their learning of skills and responsibilities by interviewing a range of speakers from mechanical engineers to nurses and housing officers.

Year 2 interviewed construction workers about working in the local community and their health with fashion designer Sarah Beasley

Careers Week

National Careers Week

Year 3 used their enquiry skills to learn about the different job rolls at business development company 'AutogenAI'.

Year 4 had a blast learning about the range fantastic job opportunities our visiting sound recordist has taken on.

Year 5 visited Into University to think about their future aspirations and career choices

Year 6 explored the challenges and successes of running your own company during their session with fashion designer Sarah Beasley

IntoUniversity 

Year 2 visit to Spitalfields Farm

As part of our previous topic 'Food Journeys', the children in Year 2 took part in a guided tour of Spitalfields City Farm. The farmers were fantastic and shared many interesting facts about the animals in their care. We learnt that their ducks laid different coloured eggs (which was very helpful when trying to work out who had laid them), that their sheep were only shorn once a year and that donkey's used their ears as a way of communicating how they are feeling.

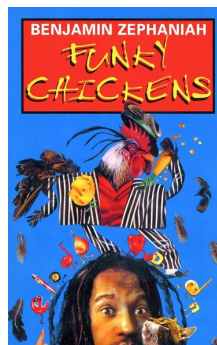

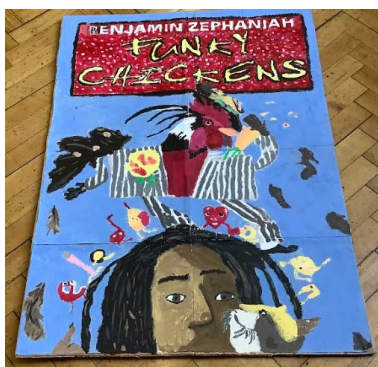

We were given a guided tour of the farm where we had the opportunity to feed some goats and pet lots of lovely animals. The farmers taught us lots of interesting facts about the animals and answered all of our questions. Spitalfields City Farm has lots of free workshops for children. Look on their website or call their office for more information.

Year 4 Visit to the British Museum

On Wednesday, Almond class visited the British Museum on an exciting history trip. On this visit, they explored a range of Roman artefacts linking to their study of the period so far. This included Vindolanda tablets - which were wooden, letter-style documents used by Romans for communication, and statues capturing stories about Roman life and legacies. They really enjoyed seeing their learning at school brought to life through these different sources, and were particularly curious about the differences in everyday items used in Roman life compared to the present day. Furthermore, having the opportunity to examine Roman mosaics in person was really exciting, as they were able to see just how intricate these pieces of art are, and feel inspired for art week - where they will be creating their own, Roman mosaics in class!

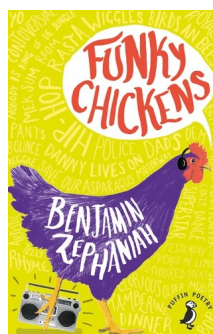

“A funky chicken ate my corn
But really I don't mind
My funky friend eats my dinner
Every time I dine.”

Breakfast Club

Over the last few months, Ms Little has been leading art activities with our breakfast club children—focusing on creating art based on our favourite books. The children have been recreating Benjamin Zephaniah's 'Funky Chickens' this half term after our Zephaniah focused literacy week earlier this half term.

Playground Pals

Here are some of our Playground Pals after their weekly planning meeting. Playground Pals have some very important responsibilities in the school including organising games, helping children to find someone to play with, organising playground equipment and sharing their views about how playtimes can be even better. The Playground Pals are looking forward to their new base which will be build in the next few weeks.

Staff Spotlight

This week we are celebrating members of our team who have worked with us for 25 fantastic years! We would like to share our appreciation and thanks to Ms Adams, Ms Little, Ms Constantine and Ms Twiner for their unbelievable contribution to Shoreditch Park Primary. More will follow next week!

Upcoming Calendar Dates

Mon 4th March	
Tues 5th March	Ks1 violin assembly 0930 Ks2 violin assembly 1000
Weds 6th March	
Thurs 7th March	Year 4 Class Assembly Parents evening—please note school closes at 1330 for all children
Fri 8th March	

SPPS Governors

It was wonderful to have our SEND Link Governor, Jessica Turner, in school this week. She was able to observe an exciting musical interaction session led by one of our Speech and Language Therapists in the ARP. She also met with Miss Deegan and Dr. Zoe Tweedale from WAMHS to discuss the mental health support that we offer in school.

Attendance

Well done to Hoffman class and King-Smith class for being our attendance champions last week!

Class	Attendance %
Rosen AM	94.3
Rosen FT	97.5
Donaldson	90.7
Browne	96.3
Grey	94.8
Deacon	90.3
Jeffers	94.0
Hoffman	97.0
Briggs	96.3
King-Smith	98.0
Almond	96.0
Morpurgo	83.2
Tan	83.9
Dahl	85.6
Milligan	91.5
Zephaniah	94.2

Class	Number of lates
