

The Shoreditch Park Scoop

Art Week!

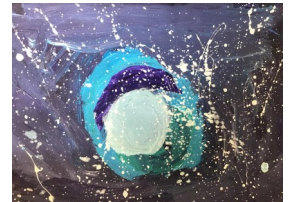

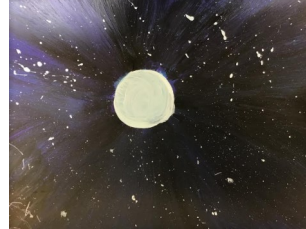

We have had a fantastic Art Week at Shoreditch Park this week, with all classes getting the opportunity to show off their creative skills and express themselves through a variety of mediums. Nursery and Reception have been taking inspiration from Henri Matisse's *The Snail* (as well as real-life snails) to create their own colourful mixed-media collages. Year 1 have taken inspiration from the great Spanish artist, Joan Miro, to create some mixed-media collages of their own, while Year 2 have been experimenting with their own holiday-themed printmaking techniques inspired by the likes of Andy Warhol and William Morris. .

Art Week continued...

Years 3 and 5 have both been experimenting with digital art and photography this week, using a range of apps to layer, crop, edit and draw digitally, with Year 3 focusing on conveying a range of complex emotions and Year 5 taking us into the wonders of Space. Year 4 have taken us back to Ancient Rome by creating a range of amazing meticulously designed Roman-inspired mosaics and Year 6 back to the horrors of the blitz with their WWII skylines showing off their amazing painting skills with their wondrous blended vistas

Our talented pupils...

We are proud to share the fantastic work of one of our Year 5 children, Zeus.

Zeus has demonstrated great resilience and determination over the past year to complete this AMAZING piece of art (shown to the right). Well done Zeus, we can't wait to see your next piece!

SPPS Governors

It was lovely to have our Chair of Governors, Caroline Doherty, in school this week. Caroline met with the Safeguarding Team for a link visit, where all aspects of the school's safeguarding action plan were reviewed as well as school attendance and behaviour trends. Caroline then visited the ARP and particularly enjoyed watching some of the fun activities in Sharratt Class.

Year 2

To celebrate careers week Year 2 had a visit from Ardmore Construction. Two builders came to our classroom to talk about the work they are doing on the construction site beside our school. Afterwards, we went to the site to see the builders at work. It was exciting to see all the different machines and learn about the many roles. Year 2 were lucky enough to be given the opportunity to name the cranes on the site too.

School council

School council gathered this week to discuss the proposed changes to the summer term menu. Our new additions will include:

- Taco Tuesdays
- Summer picnic in the last week of term

Playground Pal Corner

Playground Pals can help you if you don't have anyone to play with. Playground Pals wear purple vests so they are easy to spot.

A reminder that we break up for Easter Holidays on Thursday 28th March at 1530.

Monday 15th April is an INSET day and school will be closed to all children.

We look forward to welcoming you back on Tuesday 16th April.

Spring Celebrations

Next Thursday will be our Spring Celebration. This is the last day of term and so is a great opportunity for us to come together and celebrate another successful term.

We are asking families to support with the following:

- Volunteers to support with applying mehndi and face painting
- Contributions to the bring and share cultural food exchange- please drop into the office for an allergen card so you can display the contents of the dish. Please avoid any nuts.
- Creating a bonnet for the Easter/ spring bonnet parade. There is lots of inspiration online if you search 'Easter bonnet ideas.'

Please complete the consent form so can allocate your child a slot with their year group for Holi colour throwing. You can show them these videos to give them an idea of what to expect: <https://www.youtube.com/watch?v=wTfYhG2mOSA> , https://www.youtube.com/watch?v=R1hs5FO_Oqk

Attendance

Well done to Deacon class and Briggs class for being our attendance champions last week!
