

The Shoreditch Park Scoop

Rockstar Drummers!

This morning, you could probably hear Shoreditch Park Primary School all the way from the other side of London, as both KS1 and KS2 were both treated to an epic drumming concert featuring all of our incredibly talented drummers from across all year groups. What an absolute blast! All of the children, the teachers and the parents were up and dancing as we were treated to brilliant performances from the likes of Queen, Bruno Mars and The White Stripes. We would like to also give a huge thanks to our amazing teachers, Anreas and Dan. The hard work, perseverance and passion on display was a true delight to behold. Bring on the oncoming guitar concert next term!

Seuss Class trip to Tesco

On Thursday, Seuss Class went out into the local community as part of their life skills lesson. Each pupil had a shopping list and had to find one ingredient (such as: one bell pepper, spring onions, or a can of sweetcorn). When they all found their ingredients, they all lined up at the till and sensibly paid for them. Once the pupils had finished shopping, they returned to school to make their rainbow salad. They were able to prepare their ingredients, and most importantly enjoy eating it.

IntoUniversity 

Into University

Year 5 had the amazing opportunity to work with the Into University team and learn about astronomy. They participated in team activities discovering more about space, including building a NASA recommended survival kit for astronauts. They also got to use all of their knowledge from our science topic last term on space to impress the team and complete a design for a house on another planet.
