

The Shoreditch Park Scoop

Rights Respecting Ambassadors

This week the Rights Respecting Pupil group got a chance to interview Rebecca Parnell, a member of the Refugee Action team. Rebecca has worked at Refugee Action for a long time and is a real expert on the refugee experience, especially in the UK. Each Rights Respecting ambassador got a chance to ask Rebecca a question. We learned all about what the life of a refugee is like here in the UK, what refugee camps are and what they might be like, and how children's rights are impacted by being a refugee. We are excited to share what we learned with our classmates in next week's assembly!

REFUGEE ACTION

Refugee Week at Shoreditch Park

Next week at Shoreditch Park we will be learning all about refugee week in our PSHE lessons and in a number of exciting workshops across the school. Refugee action will be back with us alongside workshops led by ASC Creatives on Tuesday and Wednesday. We can't wait to share all our learning with you in next weeks newsletter!

17TH - 23RD JUNE 2024

School Book Fair

Thank you to all of our community for supporting the school book fair this week. It was fantastic to see children so enthusiastic about choosing new books and browsing all of the books available!

Key Stage 1 Playground

The school has been consulting with parents, pupils and staff for the last 18 months, and now is the time for the works to take place. Phase 1 of the project will be starting in late June, with the following zones being installed:

Active Play—Climbing Frame

Key stage 1 pupils will be able to develop their gross motor skills, coordination, and balance as they run, jump, and leap along the Trim Trail to add some adventure to playtime!

Imagination and Creative—Construction Play

The construction corner (currently the bin shed), will develop core-problem solving skills as pupils bring their ideas to life, connecting the blocks together using the materials to create active play trails and imaginative designs. The opportunity for them to work as part of a team, build core communication skills or find confidence in their own ideas working independently is endless!

This week our pupil voice group reviewed the plans for the playground and gave us invaluable feedback for the project which will ensure all children are happy with what is being built. The equipment layout and design will be changed slightly because of this feedback. Watch this space... project to start at the end of June!

Further information will be shared with parents and carers of year 1 and 2 pupils shortly.

Year 2 Trip to St Pauls Cathedral

The week our Year 2 children visited St Paul's Cathedral to learn how it was impacted by 'The Great Fire of London'. Our tour guide Terry showed us a model of how the cathedral looked before the great fire (with a spire) and statues that had exploded due to the heat! We also learnt facts about the weight of the dome and how the ceilings had been decorated.

Year 5 Trip to the V&A

On Wednesday, Year 5 were lucky enough to visit the Victoria & Albert Museum in West London to help enhance our learning and understanding of the textile industry, which we have been studying in both our Geography and our D&T. In both subjects we have been learning about sustainability within the textile industry and both the economic and ecological impacts that 'fast fashion' are having. We looked at clothing styles and fashion throughout the ages in Britain and from across the world and evaluated both changes in fashion and in the materials used. We also had a chance to look around the rest of the incredible museum and their amazing collections of art, paintings, sculptures and historical artefacts.

Save the date for our summer fair on Friday 12th July! We would love to see as many of you as possible from our school community!

FIRE SAFETY

This message about fire safety could help save your and your family's life - read on to find out how safe you are and what simple steps you could take to keep your loved ones safe.

There is a new Building Safety Act 2022 which came about after the tragic Grenfell fire in 2017, and is aimed at keeping people living in high rise buildings safe.

! Staying safe is the way!

How safe are you and do your actions protect your family? How many of these strategies do you follow?

Do you know your building's fire safety plan and evacuation procedures? In high rise blocks owned by Hackney Council, these should be located on the fire safety notice, in the entrance lobby of the block.

These are examples of fire safety notices you may see in your building.

Primary School

Supporting Year 6 Children's transition to Secondary School

Calling all Year 6 Parents!

Shoreditch Park school will be hosting a coffee morning for Year 6 parents to discuss supporting children's emotional wellbeing around their move to Secondary School.

This will be a chance to hear ideas and tips around managing themes such as anxiety and confidence during this time - from the Place2Be Counsellor and the CAMHS Worker in School. It will also be a great opportunity to meet with other parents and share ideas and thoughts around this change.

Would be great to see you there!

When: 27th of June 9am-10am

Where: Shoreditch Park School parent and community room

Please let the school know if you are going to attend by emailing admin@shoreditchpark.hackney.sch.uk or calling 020 7739 7973
