

The Shoreditch Park Scoop

Shoreditch Park is OUTSTANDING

We are delighted to inform you that following the recent Ofsted inspection of Shoreditch Park Primary School, we have been awarded an Outstanding judgement in all 5 areas.

You will shortly be able to access the report in full on the Ofsted website, and can find the report on our school website [here](#).

The children's reflection of the aspire ethos and their daily commitment to learning was highlighted throughout the inspection and subsequently a key strength in the report. Please congratulate them on this tremendous achievement!

We're thrilled that the everyday hard work of our staff team has been recognised formally. I'm sure you'll join me in also congratulating everyone who works and volunteers at the school.

Green Team

The green team met with Kelly, an environmental education officer for Hackney, to talk about climate change and what steps Shoreditch Park Primary can take to prevent it. We delivered an assembly on what is happening to our world and we can do at home and in school to prevent plastic pollution. Be all want to be a part of the solution not a part of the pollution. Next academic year, we will be working closely with Hackney to further enhance our green offer and to support the local community in planning for sustainability!

Y6 trip to Chessington

This Monday, Year 6 had their final trip for the year, and it was a big one: they went to Chessington World of Adventure! The children got to explore the huge grounds, visiting many different themed zones, including the Jumanji zone and the Forbidden Kingdom. Mr Codling's group's favourite ride was the log flume, although the pirate ship and the ostrich stampede weren't bad either! There was so much to see that we didn't get round the whole theme park, but that defi-

Year 6 Residential

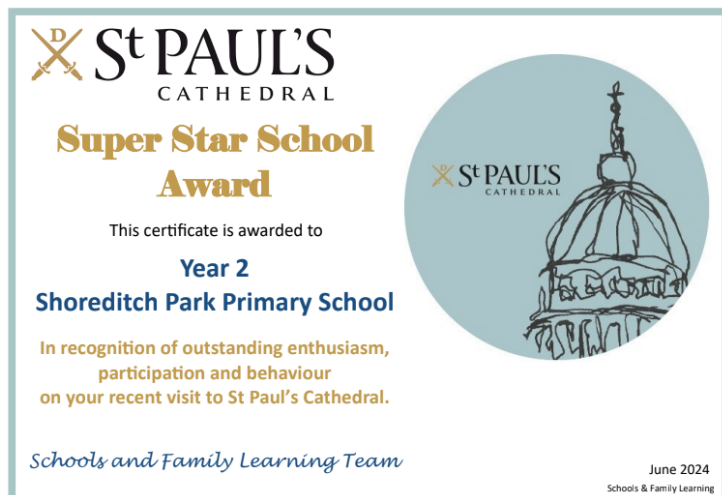

We continue our focus on Year 6 highlighting their residential trip this week to Kench Hill, located in the beautiful rolling hills of the Kentish countryside. Once the children arrived from their rousing coach journey, they moved into their rooms and filled up on home-made pizza and salad. After that, they went on a 3 hour adventure hike where they played games and went walking up a stream. On day 2, the children took part in many exciting activities onsite, such as archery, bouldering and orienteering, before having a disco party in the evening. On day 3 the children took part in a team challenge before saying farewell to Kench Hill and back to Shoreditch. All in all, it was a great few days away from the distractions of everyday life.

Year 2 visit to St Pauls

Our Year 2 children were so fantastic on our recent visit to St Pauls that the staff insisted on sharing the certificate below for their exceptional learning, focus and questioning. Well done Year 2"

Year 2 Poetry

A big well done to Year 2 students Rayan, Brooke, Nico, Niamh, Sofia and Charlotte who have had their poems published in 'The Poetry Bus: Little Treasures'. Their poems were inspired by Be Cool Man-kind.

Save the date for our summer fair on Friday 12th July! We would love to see as many of you as possible from our school community! The fair takes place from 1600 with the school closing at 1800.

Summer clubs and activities

Hackney has released its list of providers who will offer free clubs during the summer holiday (including a meal) for pupils who access free school meals. Please see [this website](#) for a full list of providers.

Attendance

Well done to Jeffers class and King-Smith for being our attendance champions last week!

Key Dates for the half term

9th July	KS2 Sports Day
10th July	EYFS Sports Day
11th July	KS1 Sports Day Year 3 Careers Workshop
12th July	Summer fair 4-530
18th July	Year 6 graduation
