Wellbeing & Mental Health at Shoreditch Park Primary School

My name is Zoë Tweedale. I am a Clinical Psychologist who works with Children, Young People and Families in the local Community CAMHS Team. Part of my role is working with the Shoreditch Park School Community to support wellbeing and mental health.

As part of this I run Coffee Mornings for parents on different topics. Our first Coffee Morning in September is aimed specifically at parents of Reception children:

Supporting Your Child with the Transition to Primary School

Date: Thursday 12th September 2024

Time: 9:10am-10:10am

Location: Parent & Community Room

This will be an opportunity to learn more about how children may respond to starting school, things you can do to support your child and thinking about looking after yourself. It also is a chance to meet other parents of children in Reception and share experiences.

I also have some capacity to offer one-off one to one consultations if you have concerns about your child's wellbeing or behaviour, or have concerns about your own wellbeing. Please speak to me or Ms Byrne, Key Stage 1 SENCo, to arrange this.
