

# The Shoreditch Park Scoop

## Nursery

The children in Rosen class have had a fantastic week settling into Nursery. They have enthusiastically engaged in a wide range of activities, adapting quickly to the school routine and making lots of new friends!

Throughout the week, we've enjoyed reading a variety of books, including 'Rapunzel', 'Jabari Jumps', and 'The Tiger Who Came to Tea'. After each story, the children have loved sharing their favourite parts with their classmates, promoting great discussions. They've also enjoyed being creative, decorating paper pizzas, making shaving foam ice creams, designing their own T-shirts, and creating sparkly butterflies. These fun activities have not only helped develop their fine motor skills but also encouraged independence and sharing.

In the outdoors area, they have engaged in spray painting, building obstacle courses, and using measuring cups in the water tray. It's been a wonderful start to the term, and we're so proud of how well they've embraced all the new experiences.

## Reception

This week in reception classes have had their settling in week, learning about new classmates and about our school! We have explored the different class activities such as building our own zoo and rice construction. We have also explored our outdoor world such as the climbing frame and have even built our own car!

We have been reading about the gruffalo and as a class and we have talked about what makes a scary monster. We have then created our own gruffalo using our artistic skills.

It has been a wonderful first full week at reception and we are excited to start on our first class story- Owl Babies next week!

## Year 6 PE

Year 6 started their unit on hockey in PE this week.

We started by revisiting the basic fundamentals of how to hold the stick properly and the correct technique to use when passing. After this we enjoyed passing and dribbling in a competitive environment before applying our skills in a match.

We are excited to develop our skills further in our future PE lessons.

## London Children's Flower Society

Congratulations to Mr Calvin and all the children that supported the preparation for the Summer London Children's Flower Society competition. The London-wide competition consisted of judges coming to the school to meet the children and inspect their work. The children will receive their trophy in November at the Guildhall. Their hard work and effort has resulted in a trophy for the vegetables grown!

## Laburnum Boat Club

Each year in the summer term our children access the excellent Laburnum Boat Club for a half term. Laburnum boat club also offer excellent term time and holiday clubs which can be booked year round by contacting the club via 02077292915 or [info@laburnumboatclub.com](mailto:info@laburnumboatclub.com).

### Laburnum BOAT CLUB

Hackney's Community Boating Project

Laburnum Boat Club  
Laburnum Street  
London E2 8BH  
02077292915
