

The Shoreditch Park Scoop

Year 6—Natural History Museum

Year 6 had a fantastic day out at the Natural History Museum. Both Milligan and Zephaniah classes enjoyed an Evolution workshop learning about how animals have adapted to their changing environment. We also spent time looking at the incredible ichthyosaur skeletons and other fossils in the gallery. Thank you very much to the parents who supported the trip.

Nursery

The children in Rosen class have all grown in confidence over this past week. It has been amazing to see them actively contribute to class discussions and socialise with their new friends. Taking advantage of the lovely weather, we have spent a lot of time outdoors, exploring our environment, reading books, washing baby dolls, roller painting, and climbing.

We have also enjoyed reading exciting stories like *Elmer*, *The Nature Trail*, and *Rainbow Fish*, which have led to great conversations about our environment. These stories inspired the children to engage in a variety of creative, fine motor, and exploratory activities.

Additionally, the children had the chance to participate in sensory experiences, including exciting water tray activities with lemons, cucumbers and tea which further enhanced their exploration skills. It has been lovely to see them develop, learn and explore through hands-on play!

Reception

The children have had a wonderful week in Reception!

They have explored our reading area, made patterns using peg boards, practiced their pre-writing skills and decorated owls from our core text 'Owl babies!' In Donaldson and Browne class, we have a family gallery. Please could we ask kindly ask parents/guardians to bring in family photos for our display. We will photocopy any originals and return them. We are so excited to welcome children back to Reception next week!

Pupil Photos

Next week on Wednesday children will have their individual photos taken. Please ensure your child wears their school uniform and, for Years 1 and 4, bring their PE kit with them to get changed into before lessons. More information can be found on the letters page of the website.

Pupil Voice Groups

This week children voted for who will be the representatives for Green Team, Rights Respecting Steering Group and School.

On Monday, 2 children from each year group who have been voted as the representatives will be announced. Good luck to all the children who put themselves forwards for the roles!
