

The Shoreditch Park Scoop

Year 6 Football Tournament

A team of year 6 boys had great fun representing Shoreditch Park Primary School at the Mabley Green Autumn 7-a-side football tournament on Wednesday. The team had the opportunity to compete against 5 different schools from the borough and showcased tremendous effort, skill and sporting behaviour throughout the day. The team only conceded one goal all day, which, unfortunately, was a decisive goal and meant they did not make it through to the final. They boys are looking forward to learning from the experience before competing in future tournaments.

Nursery

This week in Rosen class, we've been exploring Ghana through a range of sensory, creative, and fine motor activities, as well as engaging stories. We learned about the Ghanaian flag using colored rice and finger painted baobab trees. The children also created African masks and kente cloth designs, by printing and using sequins, and tissue paper. They also made their own mini drums and shakers, which were used to explore rhythm along with African-inspired music.

The children have shown a keen interest in their names and mark making this week. They have engaged in printing letters, hunting for letters in shaving foam, chalk writing and tracing. On Thursday, we also had an exciting workshop with the speech and language therapist, where some parents joined us to create sock puppets together!

School Council

This week the Student Council met with Ms.Caton to discuss the school menu. We gave feedback on what we loved about the school lunches, and some recommendations for improvements. It was great to share our opinions in a respectful manner and to listen to other people's ideas. We love our school lunches and are very grateful to the lunch staff for always preparing healthy and tasty meals for us.

Rights Respecting School

The article of the week this week is Article 7—I have a right to a name and to belong to a country.

We have been learning that this means:

- I have the right to a legally registered name and nationality
- I have the right to know and be cared for by my parents

Year 1 Trip to Natural History Museum

On Thursday, Deacon class went on a trip all the way to South Kensington to visit the Natural History Museum as part of our learning about Dinosaurs this term. We took part in a Stegosaurus workshop where we learned all about fossils and how they can help us learn what happened in the past. We also built our own Stegosauruses in groups of three using wood. After lunch, we walked around the Dinosaur Zone and saw lots of amazing fossils and models of our favourite dinosaurs. We had a fantastic time on our trip!

Winter Fest

We are delighted to share that our Winter Fest will take place on Thursday 28th November. Please save the date and we can't wait to share the details of the event with you in the coming weeks!

Winter Fest planning has begun...

SAVE THE DATE

28TH NOVEMBER 2024
