

The Shoreditch Park Scoop

The London Children's Flower Society 2024 Annual Awards Ceremony

This week some members of the gardening club went to The Guildhall, Moorgate to receive an award from the London Children's Flower Society for their gardening efforts in the summer term. Shoreditch Park Primary received the Shewell-Cooper award for growing vegetables in our school garden. It was a great honour to attend the awards and we are excited to keep up the great work with Mr Calvin, our school gardener.

Nursery

This week in Rosen class, we continued looking at *Owl Babies*, exploring the characters' emotions and imagining how they felt at different parts of the story. We shared our own feelings and made self-portraits with various materials including pom-poms, gems, tissue paper and playdough. Inspired by the setting of the story, we discussed animal homes and our own, built model houses with magnetic tiles, and enjoyed a cozy camping role-play, complete with marshmallows, lanterns, and camping check lists.

We also explored autumn this week by observing trees, gathering leaves on a nature walk, and making tree collages with real leaves that we had collected. In math activities, we poured and measured in sand trays, counted shapes, and practiced number recognition. We also discussed fire and road safety, role-playing with a stop sign and crossing a zebra crossing together. Outside, we rode balance bikes, built with Lego, and made owl masks, puppets and a nest to retell the story.

Children in Need

A big thank you to all the Shoreditch Park pupils and staff who took part in our Children in Need Fundraiser today! It was fantastic to see everyone in their spotty outfits and Pudsey ears.

Year 3 Assembly

Briggs class put on a fantastic class assembly this week for other classes and their family and friends to watch. Last half term, the Year 3 topic was The Stone Age and this was weaved throughout lots of areas of their learning. Briggs Class proudly shared their learning journey from last term, showcasing excellent knowledge about the Stone Age and celebrating their learning across different subjects.

First, we learnt about how the Stone Age is divided into three periods; Paleolithic, Mesolithic and Neolithic. Then we heard all about what life was like during the Stone Age and got to look at examples of cave art. This linked well to the children's Science topic which was Rocks and the children shared learning about how they are formed and volcanoes.

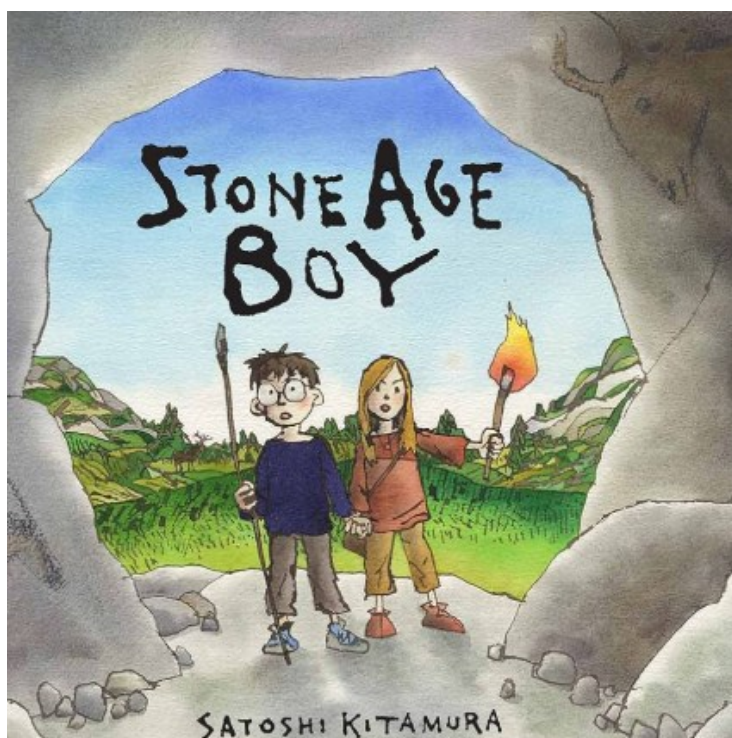

Finally, the heard about Year 3's English text; Stone Age Boy by Satoshi Kitamura. This tells the story of a travelling back in time to the Stone Age, meeting a girl named Om and learning all about what life was like back then. We saw a short re-enactment of a scene from this book and then we listened to some of the wonderful narrative writing the children created last half term.

The highlight was perhaps hearing Briggs Class share their brilliant singing - especially their passionate rendition of a Stone Age version of 'We Will Rock You!'. A huge well done to all students in Briggs Class for all of their learning, rehearsals and putting on an informative and engaging assembly. And a big thank you to all family and friends who came to watch it!

Iron Age

Reception

What a fantastic week we've had in Reception! Our new core text, *When You're Fast Asleep, Who Works at Nighttime?* by Peter and Angela Arrhenius, has captivated the children's imaginations. We've been diving into the world of nighttime workers, sparking lots of curiosity about what goes on while we're asleep! Inspired by the story, we've been "baking" with play dough, creating our own night-themed drawings, and even writing step-by-step baking instructions – the children have done a wonderful job with this! In math's, we've been focusing on the numbers 4 and 5. The children have been identifying, representing, and exploring these numbers in different ways.

We're also so proud of the children for following our daily routines with such care. Their hard work and dedication haven't gone unnoticed, and a few children even earned special certificates during our in class assembly for their fantastic efforts this week! It's been an inspiring week of learning, creativity, and growth. We're looking forward to building on these successes and seeing where our learning journey takes us next!

Class	Attendance
Rosen AM	83.3
Rosen FT	93.8
Donaldson	93.6
Browne	97.5
Grey	97.5
Deacon	92.5
Jeffers	98.3
Hoffman	96.7
Briggs	94.2
King-Smith	87.1
Almond	93.8
Morpurgo	97.5
Tan	96.7
Dahl	86.1
Milligan	97.0
Zephaniah	97.4

Class	Number of lates
Rosen AM	0
Rosen FT	4

Zephaniah	1

Attendance

Congratulations to Zephaniah class and Jeffers class for their excellent attendance this week!

Upcoming Calendar Dates

Mon 18th November Browne Class Trip—Shoreditch Fire Station

Tues 19th November

Weds 20th November Seuss Class—Into Film Festival
Fluoride Varnish—Reception and Year 1
EYFS Forest School

Thurs 21st November Year 3—King-Smith assembly

Fri 22nd November Year 2—Great fire of London workshop

We are delighted to share that our Winter Fest will take place on Thursday 28th November. Please save the date and we can't wait to share the details of the event with you in the coming weeks!

Safeguarding Tip of the Week

Please see the NSPCC website for guidance on using parental controls: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/parental-controls/>

The page is an excellent resource as it has advice for adding restrictions to a range of devices, apps and online services.
