28th January 2025

Parent / Guardian Workshop:

Jobs in STEM and how to encourage STEM learning with your child

Dear Parents / Guardians,

We hope you are well.

We are Inspire, an education charity based in East London. We bring local schools and businesses together with the aim of introducing young people to the world of work and opening doors to possibilities they may not be aware of. You can see more about our work on our website: www.inspire-ebp.org.uk

Inspire will be delivering our work-related learning programme, World of Work, with children at Shoreditch Park Primary School in the week of 3rd – 7th March 2025.

In addition to the learning taking place in class, Inspire would like to invite **parents and guardians from all year groups** to attend a presentation delivered by Inspire focusing on Jobs in STEM (Science, Technology, Engineering and Maths) and how to encourage STEM learning outside of school.

The workshop will take place in school on **Friday 28th February 2025 at 9.00 - 9.45am.**

We look forward to seeing you there!

Best wishes,

The Inspire Team
