

The Shoreditch Park Scoop

World of Work Week

To celebrate National careers week, Shoreditch Park Primary school took part in the World of Work Week run by the charity INSPIRE. Children were exposed to a range of different career opportunities throughout the week. Have a look at what we got up to:

Nursery - My First Job

Nursery pupils were introduced to the job roles of police officers, doctors, builders and shopkeepers during their exciting World of Work week carousels. They learned about the role of a postal worker during their workshop this week, using the alphabet to help sort letters.

World of Work Week

Reception - Jobs in Nature

Reception explored the roles of a gardener, vets, farmer and zoologist. They had a blast on their trip to Stepney City Farm where they learned about the different animals that live on the farm and what they need to stay healthy.

Year 1 - Emergency Services

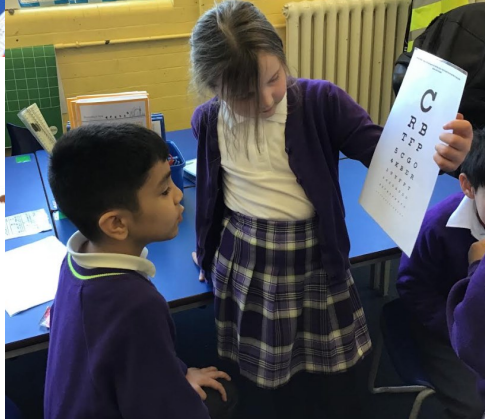

Year 1 explored the world of police officers, firefighters and paramedics this week. They cannot wait for the visit from Shoreditch fire station next week!

World of Work Week

Year 2 - Community Jobs

Year 2 spent their World of Work week learning about jobs in hospitality, health jobs, fixing jobs and fitness jobs. They also had a visit from Jerram Falkus construction company where they learned about bricklaying and the importance of PPE on the construction site.

Year 3 - Building Futures

Year 3 pupils learned about the job of an architect and became architects themselves as they each designed their own 'happy place'. They enjoyed their 'Building Futures' workshop run by architecture, engineering and construction volunteers from multiple companies.

World of Work Week

Year 4 - Showcase

Year 4 explored the various job opportunities available in the theatre industry. They become screenwriters, set designers, lighting technicians and actors as they took on their World of Work week lessons. They cannot wait for their trip to the Almeida theatre next week!

World of Work Week

Year 5 - Ethical Business

Year 5 have been working very hard on their ethical business presentations all week! They took a tour of the KPMG offices before pitching their projects to KPMG staff. Well done year to year 5!

Year 6 - Tech masters

Year 6 collaborated in their groups this week to produce their impressive ethical business presentations to Brillio today. Pupils demonstration pride and their fantastic oracy skills throughout the presentations.

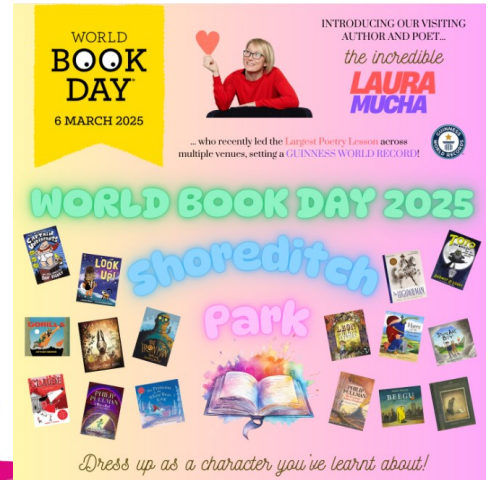

World Book Day

It was a fabulous celebration of all things book related yesterday at SPPS. The costumes were incredible and it was great to see the wide range of characters that inspired them. Thank you to parents and carers for this.

All the children took part in assemblies with Laura Mucha, with years 4 and 5 also taking part in workshops and there were WBD activities in all classes across the day.

After school the PTA cake sale and book swap were a great success. Thank you to Ms Voyle for organising the activities during the day and to the PTA for organising the book swap.

Laura Mucha assemblies for KS1 and KS2

Friday 7th March 2025

Book Swap and PTA cake sale

Seuss Class

In Seuss Class, we thought about our favourite characters from a book of our choice. We were able to create character descriptions (using adjectives to describe appearances and verbs for actions) as well as draw pictures. Then we used our PoR work to help us create our mini characters in our Food Explorer's lesson.

My favourite character is Mr Bean.

Subhaan

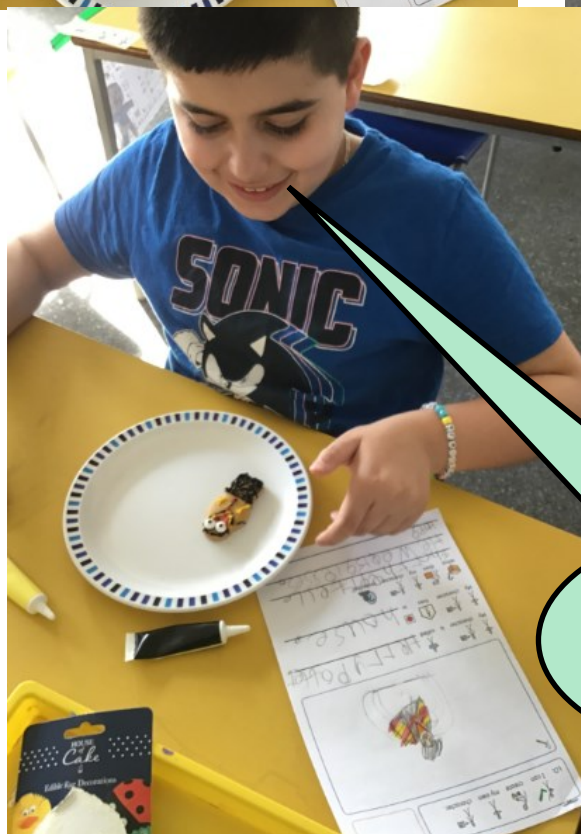

My favourite character is Pete the Cat.

Armani

My favourite character is Harry Potter.

Kayra

Safeguarding Tip of the Week

The Safer Internet Centre has excellent guidance on how to support children to use technology safely: <https://saferinternet.org.uk/guide-and-resource/parents-and-carers>

The pages also have tips to support you to have conversations with your child(ren) about staying safe online.

citizens
advice

Citizens Advice Hackney

Tasneem Kabir from Citizens Advice has face-to-face appointments available in school every Tuesday. You can contact the office to make a referral for support or phone to self-refer on: 0203 880 2266.

Parent events next week:

MATHS

12/3/25@ 9am in the lower hall

KS2 Parent workshop– focusing on the use of resources in Maths lessons.

Morpurgo	2
Tan	3
Dahl	3
Milligan	3
Zephaniah	4

AUTISM PARENT SUPPORT GROUP

Please join our support group for the parents of pupils who have a diagnosis of autism or who are awaiting a diagnosis.

The sessions are a wonderful opportunity for parents to share their experiences, ask for advice and learn about useful resources and strategies that may help their child.

Tea and refreshments will be provided.

13TH MARCH 2025

9-9.45am in the Parent and Community Room.

If you have any questions please contact Miss Deegan via the office.
