Dear Parents and Carers,

**Re: Extra curriculum activity programme for Summer 1**

At Shoreditch Park Primary school we are proud of the range of extra-curricular activities offered to our pupils after school, and of the successes our students have had in these areas.

We encourage all our students to develop new interests and to be physically active. These activities give the students the opportunity to work with others, experience teamwork and, in the case of sport, healthy competition. These sessions are run by our experienced PE coach.

Please find a list of our clubs including costs below (Please note INSET days, Parents Evening and other public holidays have been taken into consideration in regards to sessions and costs).

**Club applications will be closed as of Tuesday 22nd April 2025 at 9AM. We highly recommend you register before this date.**
**Payments**

Applications are processed in order of receipt and places will only be finalised when payment has been received via ParentPay. Payment should be made via ParentPay and there will be no possibility for any refunds or transfers
