21st May 2025

Dear parents and carers,

We write to inform you of the increase to the Extended Day price structure from the 1st September 2025. Since the last price increase in 2024, the provision has faced several financial pressures associated with the rapid rises in inflation and staff cost increases. We consider carefully all increases and have worked hard to balance the cost to the school alongside the needs of our families.

We understand that you too have been affected by these cost of living pressures, and so have worked hard to ensure the offer remains as low as financially viable; and competitive with local providers. Our not-for-profit commitment remains.

The characteristics of the pricing structure remains the same with:

- pupil premium pupils eligible for a discounted rate
- early years pupils eligible for a higher rate due to the staffing ratios
- operational aspects such as timings and days with no changes

In line with best practice, the school will carry out an annual charging review, starting in March 2026, and remains committed to giving 1 terms notice for any subsequent changes.

Thank you for choosing the school to care for your child beyond the core school day. If you would like the opportunity to discuss the revised price structure please contact the team at asc@shoreditchpark.hackney.sch.uk. Ms Keady and/or Ms Caton will respond.

Kind regards,

After School Club Team
