

The Shoreditch Park Scoop

Refugee Week

Shoreditch Park Primary school came together to explore this year's theme of 'Community as a Superpower' through engaging texts and lessons, assemblies, trips and daily activities .

Our fantastic Rights Respecting group kicked off the week with our 'Refugee week' assembly for KS1. They spoke about the importance of working together as a community to make people feel welcome.

We had a special visitor from Asylum Speakers who shared his story of strength and courage during his journey from South Sudan to England. We were able to link his story to our PSHE learning around Global Citizenship and the Rights of a Child.

Friday 20th June 2025

Year 5 attended 'Hackney as a Safe Haven' workshops this week where they explored the different stories of refugees coming to England.

We read themed texts relating to Refugee week to explore the power of community as a superpower during our PSHE lessons and story times. Here are just a few of the texts we would recommend :

Nursery

pared the length of playdough caterpillars. To explore height, we chalked our measurements on the wall and stood back-to-back. We even compared towers of cubes, which we used to vote for our favourite things.

Inspired by the plant that Titch grows at the end of the story, we discussed what flowers need to grow. We planted our own seeds, which we water each day, and got creative by making watering can pictures, cotton wool

This week in Rosen class, we focused on the text 'Titch' as part of our ongoing topic, 'Growing Things'. We explored height and length, using comparative language such as 'longer', 'shorter', 'taller', and 'smaller'. We drew around each other with chalk and labelled the outlines with our names, then used sentences to compare our lengths. We also com-

dandelion art, and sunflower pictures using forks dipped in paint!

We also had the opportunity to hold the ducklings and talk about their life cycle and how much they've grown. To end the week, we welcomed our new caterpillars! We drew pictures of them to begin a diary, where we'll record how they grow and change over the next few weeks.

As hot weather is forecast for the next few weeks. Be like Self-Aware Samuel and remember to:

wear a hat

bring a water bottle and drink lots of water

apply sunscreen before school and bring (labelled) sunscreen to apply at school.

Duck Watch!

Our lovely ducks have started to grow more and more each week. Look at how much they have grown!

Pupil Voice

This week, we've been taking part in Child Safety Week, learning all about how to keep ourselves safe at home, at school and in the community. We also learned what to do in an emergency and which numbers to call if we ever need help. Now we know how to speak clearly on the phone and ask for the right kind of help .

Right Article of the Week

999 Emergency	111 national non-emergency medical number
112 Emergency number. 112 will work on any mobile phone anywhere in the world.	101 non-emergency number for the police

Where are you right now?

Who are you?

What happened?

How many are injured?

Waiting for queries!

Article 32 – Protection from Work That Harms You

Children have the right to be protected from work that is dangerous or might stop them from growing up healthy or going to school. This means children shouldn't have to work in jobs that are too hard, dangerous, or stop them from learning and playing.

Summer Holiday Camp

Please see below for details of an art and circus holiday camp

SUMMER HOLIDAY CAMP

Art & Circus Holiday Camp

Theme: Circus

for children aged 5 - 11 years old

Hispanic Week

Next week is Hackney Hispanic Week where schools across the borough will be celebrating the Spanish language and culture. We are very lucky that the wonderful kitchen team has planned a special menu next week where each day's dish is inspired by a different Spanish speaking country. There will be an assembly on Monday morning for KS1 and KS2 to introduce Hispanic week and learn a bit about the 21 countries in the world that have Spanish as their official language. We will also be allocating one Spanish speaking country to each class and the ASPIRE morning slides will have activities for the children to do linked to their allocated country. Check out our poster to see which country your child's class will be learning about! Our Hispanic inspired menu is also attached. Please do speak to your children and encourage them to find out new facts and try new foods as part of our celebrations of Hispanic heritage and culture.

Shoreditch Park Primary School Hispanic Week Menu

Vegetarian = (V) Vegan = (Ve) All vegetarian and vegan dishes are thoughtfully crafted to include a nutritious source of protein.
