# The Shoreditch Park Scoop

## Summer Fair!

Thank you for the amazing turnout at our Summer Festival. It was wonderful to see so many of our families enjoying the activities which included mini-golf, circus skills, crafts and face painting.

We were incredibly impressed by the entrepreneurial skills demonstrated by our pupils who ran stalls.

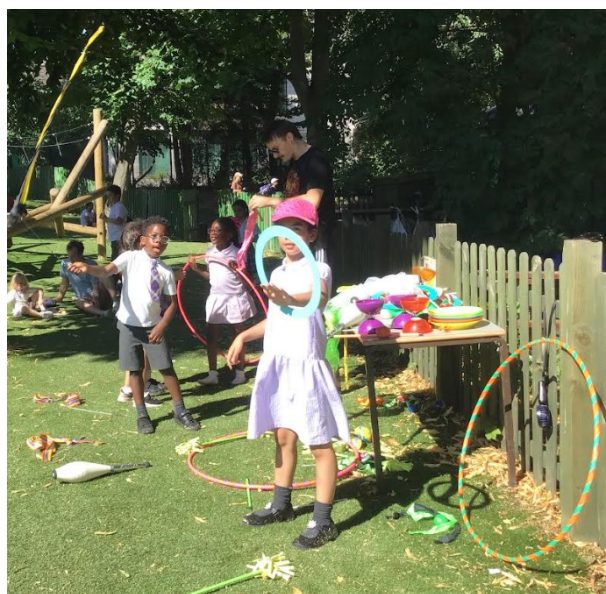

A huge thank you to all staff for their contributions.

## Guitar Heroes

We were treated to an epic performance this week from our amazing Shoreditch Park guitar heroes. Over two assemblies, we heard classics played to perfection with the Shoreditch Park drummers providing perfect rhythm to the songs.

## Drumming Legends!

Alongside our guitar concerts, on Friday we also had our drummers perform an incredible drumming concert for us. Looks like we will need to book the o2 for all the talent soon!

## Year 4 Trip

Year 4 enjoyed a trip to the Petrie Museum of Egyptian Archaeology this week. They explored a range of unique, exciting artefacts linking to their learning - including: canopic jars which organs used to be stored in, and a real sarcophagus! The students then took part in a scavenger hunt in teams, whereby they had to locate different artefacts, and collect information from each item they found. All teams completed the hunt successfully, and also enjoyed talking about which of the items or sections of the museum they enjoyed the most, and why.

## Nursery

Over the past two weeks in Rosen Class, we have been focusing on the text *"When I Grow Bigger"*, talking about growing up, our families, developing a sense of self and thinking about what we might like to be when we grow up!

We explored a small world town in the messy tray and created self-portraits using cloud dough, natural resources and crayons in the fine motor area, using mirrors to help us observe and copy our features.

We talked about who is in our family and how they were once little like us, creating family trees where we had a go at labelling some of our family members. We also had fun dressing up and role playing as different occupations we might like to have when we're older!

In the story, the little baby is pushed in a wheelbarrow, so we made our own wheelbarrow pictures and even used real ones during Forest School to help us move mud, just like in the story!

A real highlight was the exciting opportunity to release our butterflies once they had emerged from their cocoons!

## 10 x 10 Summer Events

We are delighted to share Hackney's offer for summer activities. Please see the link below to find out about a wide range of activities, from kayaking to musical experiences at Hoxton Hall. We recommend booking soon!

**There are also free resources including**

**10x10 Journey booklets with curriculum links to support your child**

**10x10 maps to help see where in Hackney you can access the activities**

**10x10 Journey guide for 0-5s**

## Holiday activity fund

Please visit the Hackney Education website for the listings for the Holiday Activities Fund. <https://education.hackney.gov.uk/content/holiday-activities-and-food-programme>

These sessions are free for pupils who are eligible for free school meals and all sessions include lunch.

## Holiday activities and food programme

### Summer 2025

#### About the programme

During summer school holidays in July and August 2025, we will once again be teaming up with a number of schools, sports activity providers and community services to offer a wide range of exciting activities and a daily healthy free meal as part of the government funded [Holiday Activities and Food programme](#) (HAF).

There will be sports activities, arts and drama, mentoring, healthy eating and nutrition sessions, food provision and much more set out across various locations across the borough.

## Summer Holiday Camp

Please see below for details of an art and circus holiday camp
