

The Shoreditch Park Scoop

Year 4 Into University

The Year 4 children had lots of fun exploring different career options with Into University. They got stuck into activities such as building as civil engineers, digging like palaeontologists and designing cool museum displays. It was a fun and inspiring experience that got the children thinking about what they might want to be in the future!

We are really enjoying the new weekly singing assemblies. Miss Madan is leading KS2 assemblies while KS1 are currently enjoying their in-class singing time until theirs begin in Autumn 2. Last week the children in KS2 were joined by Nav from Young Voices who led the session. These assemblies give children the chance to rehearse a range of songs and learn about different musical styles from across

SINGING ASSEMBLY

YOUNG VOICES (Y4,5,6)

The children were excited to start rehearsals for Young Voices this week. On every Wednesday this term the children will practise songs and learn actions from the 2026 Young Voices repertoire. We cannot wait to learn some of these songs in our singing assemblies and watch the performers grow in confidence over the coming weeks.

EYFS UPDATES !!!!

The children have settled in brilliantly to Reception and have enjoyed making new friends, getting to know their teachers and exploring their new classrooms. Our first topic is 'All About Me'. The children have been doing lots of activities where they have been talking about themselves, what they enjoy, and describing their families. They have made some beautiful cards for their adults as well as self portraits using natural loose parts collected from the garden.

This week the children began their reading lessons. They have been very excited to begin learning to read and write initial sounds. We look forward to another week of getting to know each other and enjoying our learning together!

Children in KS1 are having a wonderful time exploring their new playground. The climbing frame has quickly become a favourite, while many children have enjoyed creating colourful chalk drawings. The MUGA is in daily use for football, with children enjoying the chance to practice their football skills. The wooden gazebo also offers a calm and welcoming space where children can take a break and enjoy a piece of fruit.

YEAR 1 PLAYGROUND

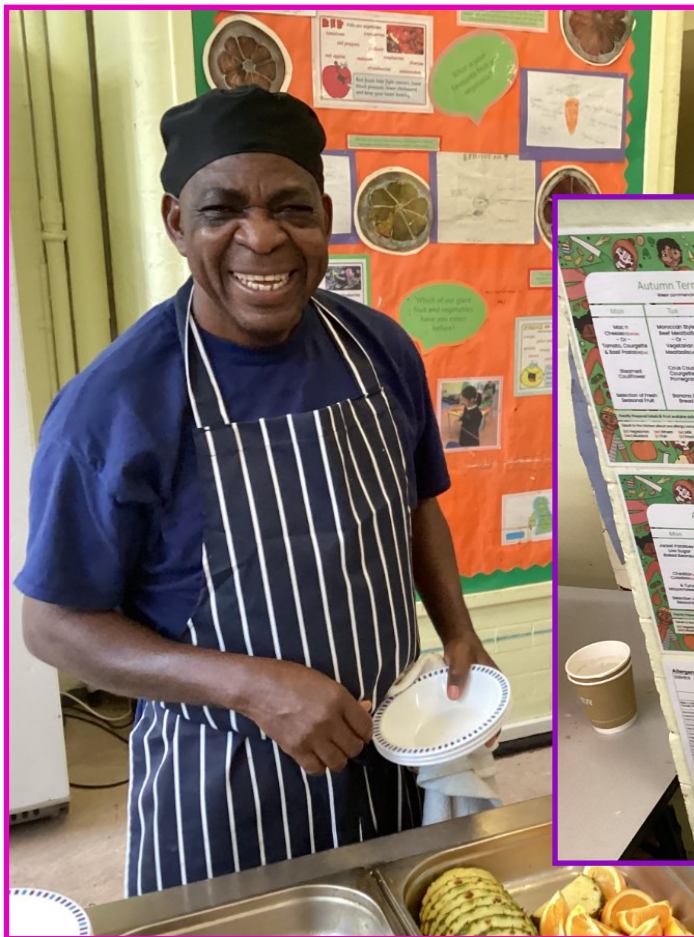

YEAR 1 CAROUSEL

Year 1 have made an excellent start to the year and are enjoying an adapted curriculum that supports their transition from the EYFS, with plenty of opportunities for free flow and access to a high quality environment linking to literacy and their topics. We now have a third classroom in action, offering children sensory activities such as dinosaur slime, small world construction, and opportunities to practise letter formation. These activities are refreshed weekly to ensure children remain engaged in their learning.

As you will already be aware, we have introduced a new menu this academic year. Feedback has been overwhelmingly positive from the children and staff. The three weekly menus can be found on the school website.

FAMILY FRIDAYS

Our Reception parents were welcomed into their child's classrooms for the first Family Friday of the term. It was lovely to see all the children showing their family members around their classrooms and enjoying activities together. Family Fridays take place weekly in Reception between 8.45-9.15am.

GARDENING WORKSHOP

On Friday we had a wonderful turn out for the gardening workshop with our gardener Calvin, who keeps our gardens looking incredible as well as running groups with children. Parents were shown around the garden, which currently has lots of delicious fruit and vegetables ready to harvest, and took part in some fun activities.
