16 October 2025

Dear Parents and Carers,

Christmas and Winter Card Fundraiser

Back by popular demand, we are pleased to share that all children from nursery to Year 6 will again design their own Christmas or Winter card to be professionally printed. The children will complete their designs in class over the next two weeks, before half term.

Later in November there will then be an opportunity to buy packs of cards (as well as other items featuring your child's design) in an online shop hosted by the company Class Fundraising.

Please note, there is no requirement to make a purchase, as all children will receive a free sample card to display at home. A further letter with the shop link will be sent to you as soon as the designs are available to buy. To keep delivery costs low for everyone, all purchases are delivered to the school together at the start of December.

This is a great opportunity for the children to celebrate their skills from Art Week and to make something to be proud of. It is also a fundraising opportunity for our school community as we will receive a commission for every sale in the online shop. The PTA invests this money right back into building community for our children. PTA fundraising has over the years been spent on hoodies for the Year 6 leavers, new playground equipment and our wonderful Summer Fair.

Thank you for your support and we look forward to seeing some brilliant designs!

Best wishes

SPPS PTA
