What is a Holiday Countdown Calendar for?

This calendar can help your child understand how long the holidays lasts for and when they need to come back to school. It can help your child settle back into school quickly as they are prepared for starting school again.

How to use the Holiday Countdown Calendar

1. Show your child the calendar and say 'today there is no school'. Point to the pictures whilst you do this.

2. Encourage your child to cross off the calendar each day.

3. Remind your child there is no school tomorrow by saying 'tomorrow there is no school'.

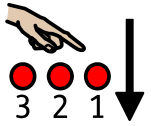

4. On Sunday 22nd February say 'today there is no school, tomorrow you go back to school'.
