Dear Parents and Carers,

Re: Summer Term Extra-Curricular Activity Programme

At Shoreditch Park Primary School, we are proud to offer a diverse range of after-school extra-curricular activities. These opportunities allow pupils to develop new interests, build confidence, and engage in teamwork and healthy competition. Many of these sessions are led by our experienced PE coach, and we are excited to be partnering with a range of external providers to further expand our club offerings this term.

We are pleased to introduce the following new clubs for the Summer term:

- **The Inventors** – A science-based club that encourages hands-on creativity and exploration.
- **Chess Club** – A chance to develop strategic thinking through the game of chess.
