27th March 2026

Dear Parents and Carers,

Further to our previous communication regarding the school's heating system upgrade, we would like to provide you with an update on the progress of the works.

We are pleased to confirm that the installation of the new heating system within the staircases will be completed this week.

During the Easter holidays, work will begin on installing the new heating system on the ground floor, including within the Nursery and Reception classrooms.

Following the holidays, the Year 4 classrooms will have their heating system installed. To accommodate these works, the Year 4 classes will be temporarily relocated to alternative classrooms within the school for one week only. All necessary items, including first aid supplies, learning materials, and furniture, will be moved with the classes to ensure continuity of learning and support.

If you have any questions regarding these arrangements, we will be holding a briefing on Monday 13th April at 9:05am. Alternatively, please feel free to contact the school office via email.

Thank you for your continued support as we progress with these important improvements.

Kind regards,

Georgia Caton
School Business Manager
