The Shoreditch Park Scoop

Well done Year 6!

This week, our amazing Year 6 pupils completed their SATs tests and we could not be prouder of the determination, resilience and positivity they have shown throughout the week.

The Class of 2026 approached every challenge with maturity, confidence and an excellent attitude. They arrived each morning focused and ready to do their very best, showcasing their fantastic knowledge of the curriculum.

A huge thank you also goes to the staff and families who supported the children so wonderfully throughout the week.

Year 6, we are incredibly proud of you all. No matter the outcome, you have already achieved something very special through your hard work, commitment and determination.

Well done, Class of 2026 — you are shining examples of our ASPIRE values!

RECEPTION TRIP TO THE BRITISH LIBRARY

Donaldson Class had an incredible time visiting the Fairytales Exhibition at the British Library. Pupils stepped into the magical world of traditional tales, exploring beautiful story books, illustrations and famous characters from well-known fairytales. They enjoyed listening to stories and taking part in exciting interactive activities throughout the exhibition. The visit sparked lots of imagination and creativity, with pupils enthusiastically discussing their favourite stories and characters throughout the day.

SAFEGUARDING TIP OF THE WEEK

This week we are highlighting the excellent online safety resources available from [Childnet](https://www.childnet.com/) for parents and carers. The website provides practical advice, conversation starters and guidance to help families support children to stay safe, happy and responsible online. Resources include advice around gaming, screen time, social media, digital wellbeing and how to talk to children about online safety in a calm and supportive way. Childnet also offers helpful toolkits and family agreements to support healthy online habits at home. We encourage families to explore the resources together and continue having regular conversations with children about their online lives.

ATTENDANCE AND PUNCTUALITY RAFFLES

Each week we hold attendance and punctuality raffles to celebrate pupils who attend school regularly and arrive on time. Good attendance and punctuality help children make the most of their learning and ensure they do not miss important parts of the school day.

The raffle is a positive way to recognise and reward the efforts of our pupils and families. We also celebrate the classes with the best attendance and punctuality each week, encouraging everyone to work together and take pride in their class's success.
