ASPIRE TEA PARTY

Our ASPIRE winners enjoyed a well-deserved celebration yesterday! The children were recognised for demonstrating the qualities of Enquiring Ebony by showing curiosity, asking thoughtful questions, exploring new ideas and taking an active interest in their learning.

To celebrate their achievement, the winners joined Ms Hannaford for a special tea party, where they enjoyed fruit, popcorn and cupcakes. They also had lots of fun taking part in outdoor parachute games with their friends.

Well done to all of our Enquiring Ebony winners for their hard work, enthusiasm and love of learning – we are very proud of you!

SCHOOL RETURNS ON 7TH SEPTEMBER

PLEASE ENSURE **ALL HOLIDAYS** ARE
TAKEN DURING THE **7 WEEK** SUMMER BREAK.

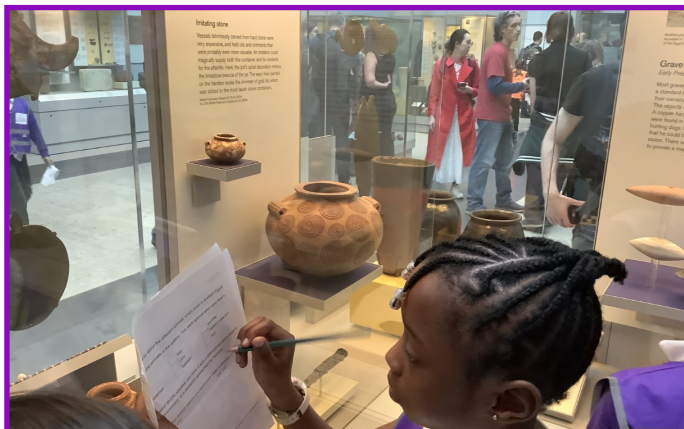

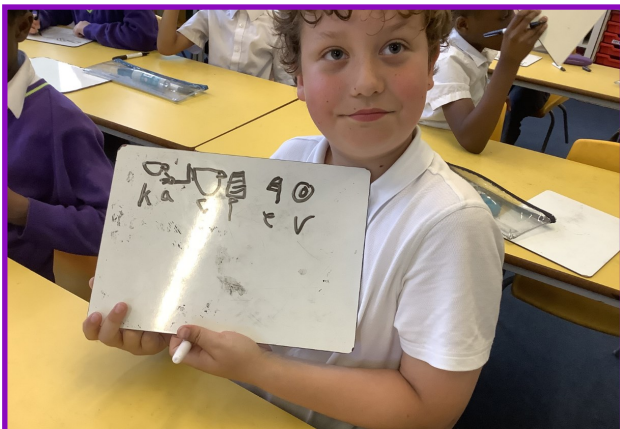

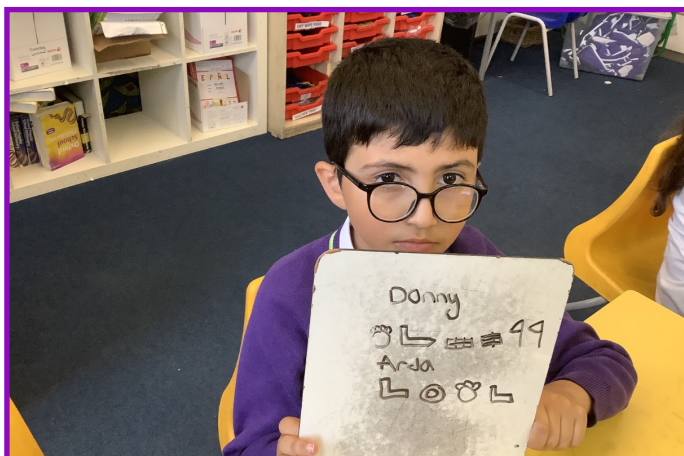

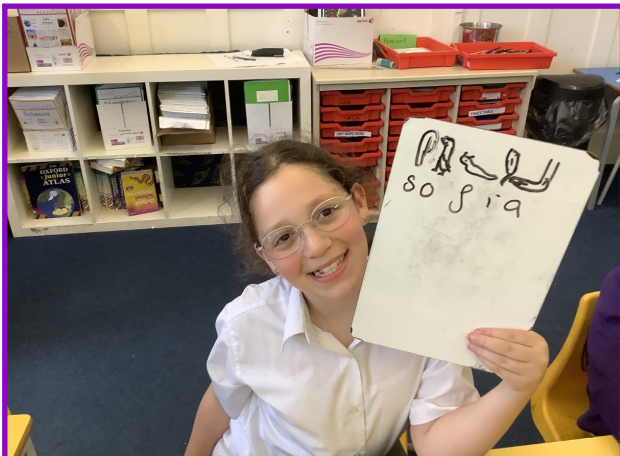

NO TERM TIME HOLIDAYS
WILL BE AUTHORISED.

YEAR 2 TRIP TO HAMPSTEAD HEATH

Year 2 had a fantastic trip to Hampstead Heath, where they took part in a workshop about the woodland and pond habitats found on the heath. The children searched for a variety of insects and were amazed by the creatures they discovered. They also learned the importance of caring for nature by leaving no trace and carefully returning everything to where it was found. We are very grateful to the team at the Hampstead Heath Education Centre for teaching us so much about the wildlife and habitats of the heath.

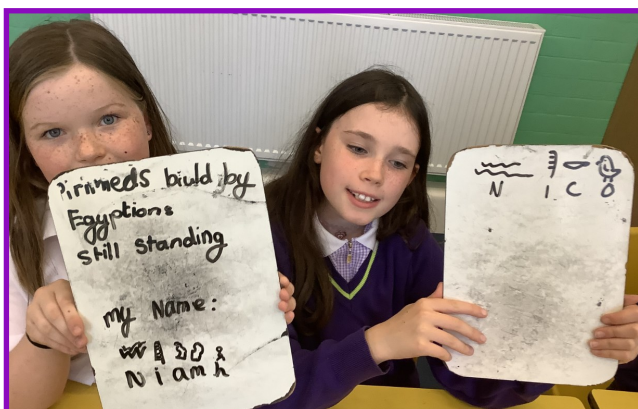

YEAR 4 TRIP TO THE BRITISH MUSEUM

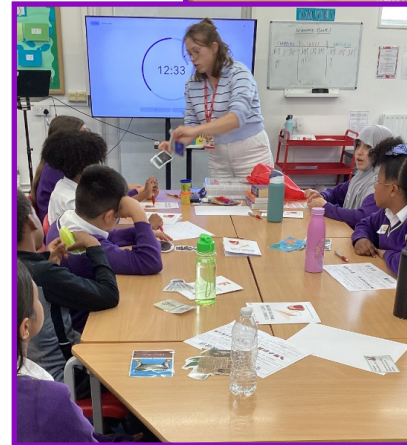

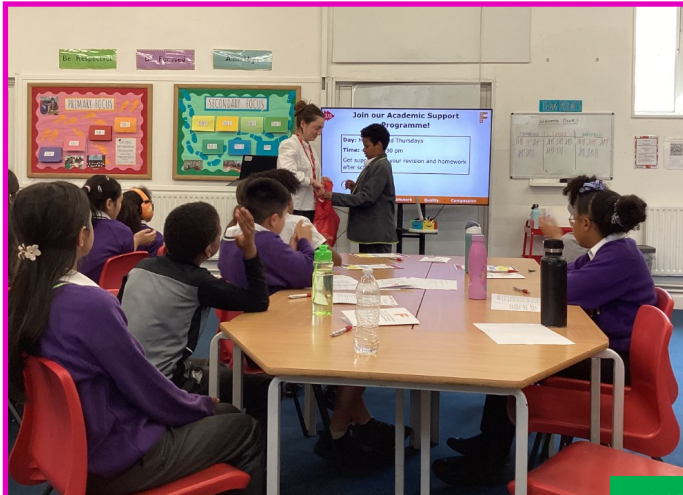

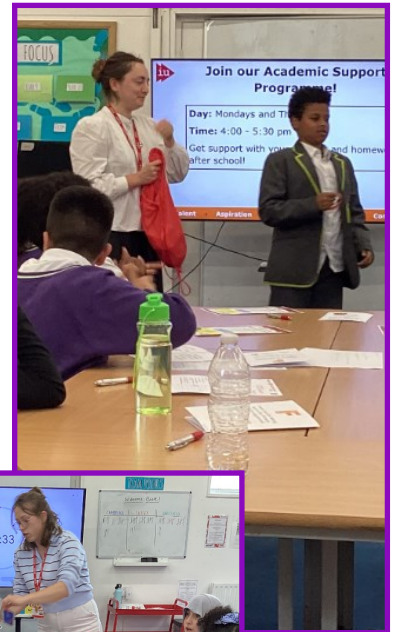

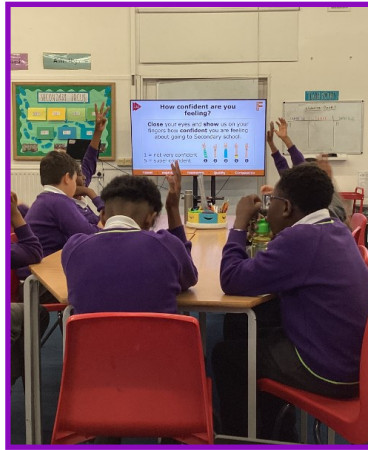

As part of their Ancient Egyptians topic, Almond Class enjoyed an exciting trip to the British Museum. The children had the opportunity to explore a range of fascinating Egyptian artefacts, including mummies, sarcophagi, statues and ancient jewellery.

During the visit, the children learned more about everyday life in Ancient Egypt, the importance of pharaohs and Egyptian beliefs about the afterlife. They were particularly interested in seeing real objects that are thousands of years old and making connections with their classroom learning.

The trip was a wonderful opportunity to bring our topic to life and the children represented the school brilliantly with their enthusiasm, curiosity and excellent behaviour. We are very proud of them and look forward to continuing our Ancient Egyptians learning back in the classroom.

YEAR 6 INTO UNIVERSITY

Year 6 enjoyed a visit to Into University, where they took part in an engaging workshop focused on the transition to secondary school. The children explored the similarities and differences between primary and secondary education through a variety of interactive activities, including games and role-play scenarios. The workshop gave pupils the opportunity to discuss any concerns, build their confidence, and develop a better understanding of what to expect as they prepare for this exciting next stage of their education.

SCHOOL GARDEN

Did you know that our school gardens are not just full of beautiful flowers? We also grow a range of fruits and vegetables which are shared with members of our school community.

At the moment, our raspberries and grapes are beginning to bear fruit, while our carrots and rhubarb are showing healthy new shoots. It has been wonderful to see the gardens come to life as we move towards summer.

Our gardening groups play an important role in caring for the garden throughout the year. As well as planting, watering and harvesting, pupils often use the fruits and vegetables they have grown in their cooking activities, helping them to learn about healthy eating, sustainability and where food comes from.

ATTENDANCE AND PUNCTUALITY RAFFLES

Each week we hold attendance and punctuality raffles to celebrate pupils who attend school regularly and arrive on time. Good attendance and punctuality help children make the most of their learning and ensure they do not miss important parts of the school day.

The raffle is a positive way to recognise and reward the efforts of our pupils and families. We also celebrate the classes with the best attendance and punctuality each week, encouraging everyone to work together and take pride in their class's success.

SPORTS DAYS

TUESDAY 23RD: EYFS

WEDNESDAY 24TH: YEARS 4, 5 AND 6

THURSDAY 25TH: YEARS 1, 2 AND 3

LET'S HAVE FUN, BE ACTIVE AND CHEER EACH OTHER ON!

GREEN TEAM INSPECTS THE IVY GREEN SCREEN

The Green Team recently inspected the new ivy green screen in the playground and were very impressed. They loved the privacy it provides, its pleasant smell, and its sustainability benefits. The team also learned that the ivy will create an important habitat for insects, helping to support biodiversity around our school.

The Green Team will be back next week to meet the installation team and learn how the irrigation system works.

SAFEGUARDING TIP OF THE WEEK

When the weather is hot it can be tempting for children and young people to cool off in rivers, lakes, canals and reservoirs. Sadly, there have been a number of tragic deaths across the UK linked to open water swimming.

The Child Accident Prevention Trust has great tips for teaching water safety to children:

CHANGES TO HOLIDAY FOOD SUPPORT

Families who currently receive Holiday Food vouchers should be aware that the Government has introduced a new Crisis and Resilience Fund (CRF), which replaces the previous Household Support Fund.

As part of these changes, councils have been asked to move away from providing holiday food vouchers to all children eligible for Free School Meals. Instead, support is expected to focus on targeted financial assistance, help with household bills, debt and benefits advice, and other cost-of-living support.

Term-time Free School Meals are not affected by these changes.

Hackney Council is currently reviewing how support will be provided locally and would like to hear from families who have received Holiday Food vouchers. If you are affected, we strongly encourage you to share your views and experiences by taking part in the consultation:

Hackney Holiday Food Support Consultation

Your feedback will help shape how support is provided to families in Hackney in the future.

Further information about available support can be found through Hackney's Here to Help service. Please contact the school office if you would like assistance accessing this information.

LET'S GET READY FOR SUMMER!

The weather can change,
so please help us keep
everyone safe, happy
and ready to learn.

CHECK THE WEATHER BEFOREHAND

Please check the forecast
to make sure your child is
dressed for the day.

SUNSCREEN EVERY DAY

Apply sunscreen before
school and send in an
extra, labelled bottle
so they can reapply.

WATER BOTTLE

Please make sure your
child has a water bottle
to stay hydrated
throughout the day.

SUN HAT

A sun hat helps protect
from the sun – please
send one with your child
on sunny days!
