YEAR 1 TRANSPORT MUSEUM TRIP

Year 1 had a fantastic day exploring the London Transport Museum. The children enjoyed learning about how transport has changed over time and discovering what travel was like in the past. They explored a variety of historic vehicles, including buses, trains and trams, and were excited to see how different they were from the transport we use today.

The trip linked perfectly with our History learning on transport through time. The children showed great curiosity as they asked questions, shared their knowledge and took part in interactive exhibits. They were excellent ambassadors for the school, demonstrating enthusiasm, respect and excellent behaviour throughout the day. We all had a wonderful time and learned lots about the history of transport in London.

SEUSS CLASS SCIENCE MUSEUM

On Wednesday, Seuss Class visited the Science Museum. We had a fantastic day exploring the museum and learning about the evolution of flight, as well as discovering interesting facts about time and electricity. We also enjoyed watching the Wonder Show, where we learned about light, sound, and matter through exciting demonstrations. Afterwards, we had lots of fun exploring the Wonderlab and trying out the interactive exhibits. It was a fun-filled day of learning and discovery!

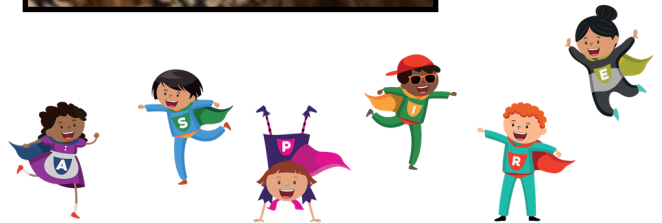

MISS LAIT MATERNITY LEAVE

We would like to let parents and carers know that our Early Years Foundation Stage Lead, Miss Flora Lait, will begin her maternity leave from next Wednesday.

Miss Lait has made a wonderful contribution to the school and to our EYFS provision, supporting children and families with warmth, care and dedication. We know that many pupils and parents will join us in wishing her all the very best as she prepares to welcome her new baby.

We look forward to keeping in touch with Miss Lait during this exciting time and cannot wait to meet the newest member of the Shoreditch Park community!

HACKNEY STARS

We are delighted to share that Rochelle Howard, our ARP Manager, was nominated as a Hackney Star and attended the awards ceremony this week. Rochelle is a shining example of the values we uphold at Shoreditch Park, and we are incredibly proud of her achievement and dedication to our school community.

SCHOOL GARDEN

The school gardens have been full of activity this week, with pupils carefully potting on cucumber plants. Children learned how important it is to handle the plants gently and take care not to damage the roots as they moved them into larger pots. It has been wonderful to see pupils developing their gardening skills, patience and responsibility while helping the plants continue to grow and thrive.

PLAYGROUND PALS

Our Playground Pals have been busy organising the playground equipment and tidying the shed ready for playtimes and lunchtimes. They have shown fantastic responsibility and teamwork, helping to sort resources carefully and make sure everything is easy to find.

The Playground Pals are also excellent at spotting resources that need repairing and letting staff know about any broken equipment so that we can keep everyone safe while playing. Thank you to all of our Playground Pals for the care and pride they show in looking after our playground resources!

DON'T BE LATE

Punctuality Reminder

We have seen an increase in late arrivals this week. Please ensure that you leave home with enough time to arrive before the school gates close at 8:55am. Arriving on time helps children settle positively into the school day and ensures they do not miss important early learning activities. Thank you for your continued support with punctuality.

ATTENDANCE AND PUNCTUALITY RAFFLES

Each week we hold attendance and punctuality raffles to celebrate pupils who attend school regularly and arrive on time. Good attendance and punctuality help children make the most of their learning and ensure they do not miss important parts of the school day.

The raffle is a positive way to recognise and reward the efforts of our pupils and families. We also celebrate the classes with the best attendance and punctuality each week, encouraging everyone to work together and take pride in their class's success.

RELATIONSHIPS, SEX AND HEALTH EDUCATION (RSHE)

Thank you to all of the parents and carers who attended our RSHE curriculum meetings and coffee morning. We appreciated the opportunity to share information about the curriculum and answer your questions.

If you were unable to attend, or would like to find out more about what your child will be learning, you can find the curriculum meeting presentations, year group curriculum overviews and schemes of work on our website:

<https://www.shoreditchpark.hackney.sch.uk/curriculum/rshe>

If you have any further questions after reviewing the information, please speak to your child's class teacher.

SAFEGUARDING TIP OF THE WEEK

Children thrive when they feel safe, secure, and connected to trusted adults. Positive attachment helps children build confidence, manage emotions, and develop healthy relationships. Simple everyday moments- listening, playing together, showing affection, and being consistent -all help strengthen attachment.

When children feel securely attached, they are more likely to talk openly about their worries and seek support when they need it. Strong relationships at home and at school are an important part of keeping children safe and helping them to flourish.

The NSPCC has helpful guidance on this
