

The Shoreditch Park Scoop

WORLD CUP AND ATTENDANCE

At Shoreditch Park Primary School, we are proud of our diverse community and the many opportunities we have to learn from one another's cultures, faiths and identities.

Did you know that Shoreditch Park families represent 27 of the 48 countries competing in the 2026 FIFA World Cup finals? This is a wonderful reflection of the rich diversity that makes our school such a special place.

We know that many World Cup matches will take place later in the evening or even during the early hours of the morning, and that some children may want to stay up and watch the games with their families. While we encourage everyone to enjoy this exciting international event, it is important that children continue to get enough sleep and arrive at school ready to learn.

Please ensure that all pupils arrive at school on time each day. Gates open at 8:45am and close at 8:55am. Good attendance and punctuality help children make the most of every learning opportunity, even during the excitement of the World Cup!

SCHOOL RETURNS ON 7TH SEPTEMBER

PLEASE ENSURE **ALL HOLIDAYS** ARE
TAKEN DURING THE **7 WEEK** SUMMER BREAK.

**NO TERM TIME HOLIDAYS
WILL BE AUTHORISED.**

EXTREME HEAT ARRANGEMENTS

Due to forecast temperatures exceeding 35°C next week, we have made a number of temporary changes to ensure that pupils remain safe and comfortable.

Sports Days have been postponed and Year 3's visit to Kew Gardens, along with Deacon Class's visit to the British Library, will take place on alternative dates where possible. Trips to the Hackney Music Festival will continue, and Zephaniah Class's kayaking trip will go ahead as planned. A decision will be made about Milligan Class kayaking later in the week.

Across the school, we will be encouraging regular water breaks, making use of shaded areas, adapting playtimes and PE lessons and reducing time spent in direct sunlight.

Please ensure that your child attends in summer uniform, brings a named water bottle and sun hat, and arrives at school with sunscreen already applied.

Children are encouraged to bring a clearly labelled bottle of sunscreen to reapply during the day.

Thank you for your support as we take these steps to keep our school community

SCHOOL GARDEN

With the recent hot weather, a huge part of our gardening routine has been making sure that all of our plants are watered regularly.

We are proud to be as sustainable as possible and use three water butts to collect and store rainwater, which helps us reduce the amount of mains water we use in the garden.

Science Fact: Plants need water to make their own food through a process called photosynthesis. Water also helps transport nutrients around the plant and keeps leaves, flowers and fruits healthy and strong.

MORPURGO- BRITISH MUSEUM

Year 4 Morpurgo Class had a wonderful trip to the British Museum as part of our History learning on Ancient Egypt. We explored the Egyptian galleries and took part in an artefact hunt, searching for and identifying a range of fascinating objects.

The visit helped bring our classroom learning to life and gave us a deeper understanding of this ancient civilisation.

MESSAGE FROM THE PLAYGROUND PALS

One of our jobs as Playground Pals is to help make sure that our playground equipment is safe and in good condition for everyone to use.

Recently, we have noticed that lots of equipment has been damaged or has gone missing. This year alone, more than 150 ping pong balls have been broken or lost!

We would like to remind everyone to look after the equipment carefully. The resources in our playground are there for everyone to enjoy, and when they are damaged, it means there is less for everyone to use.

Please help us by using equipment sensibly, putting it away properly and telling an adult if something is broken.

Thank you for helping us keep our playground a fun and enjoyable place for everyone!

ATTENDANCE AND PUNCTUALITY RAFFLES

Each week we hold attendance and punctuality raffles to celebrate pupils who attend school regularly and arrive on time. Good attendance and punctuality help children make the most of their learning and ensure they do not miss important parts of the school day.

The raffle is a positive way to recognise and reward the efforts of our pupils and families. We also celebrate the classes with the best attendance and punctuality each week, encouraging everyone to work together and take pride in their class's success.

SAFEGUARDING TIP OF THE WEEK

Domestic abuse can affect anyone and can have a significant impact on children, even if they do not directly witness incidents. Children may be affected by hearing arguments, seeing the aftermath of abuse or sensing fear and tension within the home.

If you or someone you know is experiencing domestic abuse, support is available. Speaking to a trusted friend, family member, school staff member, GP or specialist support service can be an important first step.

If you are in immediate danger, always call 999. If it is unsafe to speak, you can call 999 and press 55 when prompted to alert the operator that you need urgent help.

For confidential support, contact the National Domestic Abuse Helpline on 0808 2000 247 (24 hours a day).

The NHS has links to other agencies which can support:
