OUR SCHOOL GARDENS

Our school gardens are bursting with life, with beautiful flowers blooming everywhere. The children have loved exploring the gardens and seeing how much everything has grown.

We have also enjoyed sampling some of the fruits of the season, including fresh basil and delicious tomatoes grown in our own garden.

One of the highlights has been watching the beautiful butterflies visit, taking advantage of the wonderful buffet of nectar provided by our colourful flowers.

The gardens continue to be a fantastic space for learning, exploration and enjoying the beauty of nature.

LATINO MENU

Today, the children enjoyed a delicious Latino Day themed lunch, celebrating the vibrant flavours of South America.

The menu featured a choice of Brazilian Picadillos Beef or Peruvian-inspired Tallarines Verdes, served with garlic rice, sweetcorn and a selection of South American salads. For dessert, children could choose between a tasty ginger, mango and yoghurt cheesecake or refreshing fresh watermelon wedges.

Special themed menus like this give our children the opportunity to experience foods from different cultures and traditions, supporting our curriculum by encouraging curiosity and an appreciation of the diverse world around us. Thank you to our catering team for preparing another fantastic lunch that was enjoyed by so many children.

RECEPTION SINGING ASSEMBLIES

Donaldson and Browne Classes gave wonderful end-of-term performances, singing beautifully and entertaining their families with confidence and enthusiasm. We were so proud of every child and the fantastic progress they have made throughout the year.

Following the performance, the children were presented with their graduation certificates to celebrate that they are ready to begin their exciting journey into Year 1. It was a lovely way to recognise and celebrate all of their hard work, growth and achievements over the past year.

SAFEGUARDING TIP OF THE WEEK

Roblox – Online Safety Reminder

You may have seen recent news articles highlighting concerns about the potential risks associated with Roblox, a game that many primary-aged children enjoy playing.

As with any online platform, it is important that children use Roblox safely and with appropriate parental supervision. We encourage families to read the Safer Internet guide, which provides practical advice on privacy settings, parental controls, online interactions and how to help children stay safe while using Roblox.

Thank you for your continued support in helping to keep children safe online.

HOLIDAY ACTIVITY FUND

With We're pleased to let families know that bookings are now live for Hackney's Holiday Activities and Food (HAF) Programme.

The HAF programme provides free holiday activities and healthy meals for children and young people who are eligible for benefits-related Free School Meals during the school holidays. Children can enjoy a wide range of fun and enriching activities, including sports, arts and crafts, drama, cooking, games, trips and much more, while receiving a nutritious meal each day.

If your child is eligible, we encourage you to book your places as soon as possible, as many activities are popular and spaces can fill up quickly.

You can browse the full programme and book activities here:

<https://education.hackney.gov.uk/content/holiday-activities-and-food-programme>

If you think your child may be eligible but are unsure, please contact the school office and we will be happy to help.

DRUMMING CONCERTS

Our school hall was filled with energy, excitement and rhythm as families joined us for our wonderful drumming concert. Parents were treated to an impressive performance, with pupils showcasing the skills, confidence and teamwork they have developed throughout their drumming sessions this year.

From powerful rhythms to perfectly coordinated group performances, every child performed with enthusiasm and determination. It was fantastic to see the children's confidence shine as they performed in front of an appreciative audience.

A huge thank you to all the parents and carers who came along to support the children. Your encouragement and applause helped make the event a memorable celebration of our pupils' hard work and musical achievements. Well done to everyone involved!
