19 November 2026

Dear Parents and Carers

Christmas and Winter Card Online Shop Now OPEN!

The Christmas and Winter card designs created by your children are now ready for parents and carers to review and purchase online.
If your child designed a card during class time before half term, they have been given a sample of their printed design and instructions of how to order further copies using your child's unique design code.

How to order
Follow the instructions on the card received today in school bags**.** The website is here.

Is there a deadline?
Yes. All orders must be made online by ***Friday 27th December 2026.***

What if I can't find my child's design code or lose the sample card?
Please speak to the school office and we will do our best to help you.

When will I receive my order?
Everyone's orders are delivered together in one parcel to school so that delivery is FREE. It doesn't matter when you order, all deliveries are made at the same time in early December, when items will be given out to children in class.

Do I have to buy something?
No. There is no requirement to make a purchase from the online shop. The order cards are designed so that they can be folded and display your child's design as they are.

How will the card designs raise money for our school?
Our school will receive 20% of every purchase as commission. This money will go right back into our community through PTA events and activities for all years across the school.
We hope you enjoy them and thank you for your support!

Best wishes
SPPS PTA
