

A Space for Parents of Nursery & Reception Children with SEND

My name is Zoë Tweedale. I am a Clinical Psychologist who works with Children, Young People and Families in the local Community CAMHS Team. Part of my role is working with the Shoreditch Park School Community to support wellbeing and mental health.

As part of this, Ms Byrne (Assistant Head and SENCo) and I would like to invite you to a support space for parents of Nursery and Reception children with Special Educational Needs and Disabilities (SEND). We are aware that parents of children with SEND often experience emotional challenges and stigma that go unrecognised by wider society. We hope that we can offer a space where you have an opportunity to connect with other parents of children in Nursery and Reception with SEND. We will also be making time to discuss you and your child's experiences during the first term of primary school and nursery, share any challenges you've faced and receive support and advice from peers, a psychologist and SENCo.

A Space for Parents of Nursery and Reception Children with SEND: Supporting Your Child Settling into School

Date: Thursday 12th December 2024

Time: 9:00-10:00am

Location: Parent & Community Room
