Enquiry Ebony's Family Science Homework Challenge

Hello Shoreditch Park Primary School,

In preparation for British Science Week 2022, I would like you to research a scientist of your choice or one from the selection below:

In your research you need to answer the questions:

Who the scientist is?

What impact they have had in the field of science?

Marie Maynard Daly

Stephen Hawking

Libbie Hyman

James Wong

Sir David Attenborough

Professor Sir
Jonathan Van-Tam

Elizabeth Garrett
Anderson

Dr Anne-Marie
Imafidon

How you communicate your findings is up to you: it could be an information poster, PowerPoint or even better: an audio PowerPoint or maybe through art or design and technology :)

Good Luck

Ebony x (Ms Bunbury)
