

BIG REVENGE

Art class

It all started off in art class when I was painting a picture for the class. I didn't suspect a thing to happen to me, I was wrong. Just as I finished, time was up, I was sweating rapidly. I was awestruck when I saw my picture. I was really happy about this because my hard work and effort had actually paid off for once! But then my bully, Sandra absolutely decimated my work! This was the cause of getting triggered. The teacher called me up to the front. I didn't have any work. "Miss, I deeply apologise but my bully called Sandra ripped my work apart!".

"HOW. DARE. YOU!" she exclaimed. "You're holding her liable for your worthless piece of work!? DETENTION!" This happened for the next few days until three absolute legends told on that bully. Their names were, Lucia, then Alexia, and then Nicolai, and then the whole class. The girls looked kind of cute, not going to lie. I blushed REALLY hard. Jake caught me. he knew. He made me very TRIGGERED. "You asking one of them out?" He questioned. My face turned as red as a cherry and I could literally punch him right now.

"SHUSH JAKE!" I exclaimed. The teacher turned around.

"Who made that NOISE!?" The teacher asked. The class pointed at Sandra. She was in detention within 5 minutes!

Jake...

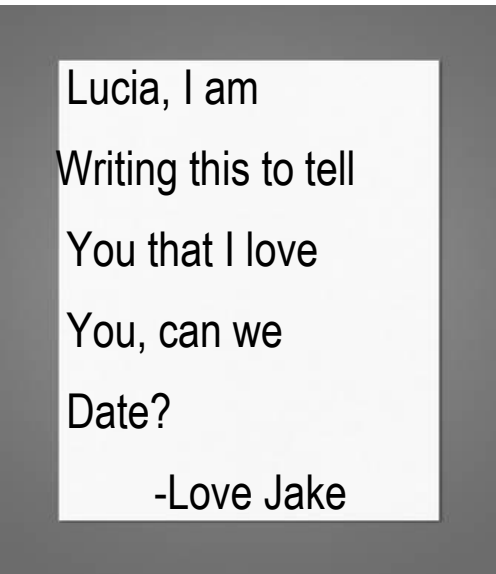

Jake was over at mine and he requested that I ask a girl out. I wrote their names on each paper and stuck them on the wall. I closed my eyes and spun around in circles to see which one I would ask out. I didn't speak to Jake at all, I knew he was silly and it wasn't a surprise that he'd make me do this. At all.... It landed on Lucia. I was terrified but I didn't show him. Instead I laughed heavily. Jake thought I was not serious.

"Cetan, why are you laughing?" he continuously asked.

"SHUSH" I replied

"Cetan, why are you laughing?" He got on my nerves... So I ignored him.

I wrote this,

Lucia, I am
Writing this to tell
You that I love
You, can we
Date?
-Love Jake

So yeah, I wrote it and it was perfect timing because Jake's Mum called mine. Jake was so happy for me, he shouldn't've been.

The next day at school I put this in Lucia's locker. Earlier that afternoon, I printed out a locker size load of them, so when Lucia opened her locker, the locker size load of papers fell on her. Jake

saw it and helped her up. Lucia hit Jake so hard, the results were really visible.

“BEST PRANK, EVER!”
